# Year at a Glance

The new **BBQ ministry** team is ready. WE are ready to come to your community with the BBQ attached to our new shuttle bus we will come full of excitement and ready to serve. We are preparing to go into 3 more communities, with my head man Alonzo (age 10 years) ready to lead.

The **Adventure club** is going well! We ventured into this cave at Mount Doug, the kids were amazed as we got inside. We have gone on many hikes, and are going on more. I need more help in this area. If you have a heart for fun, come join the team!

**BBQ ministry** is still pressing forward. We have had a great year hosting teams and going to different locations with the love of Jesus, and a few hotdogs. We have now served approx. 50,000 Smokies and hotdogs.

Our **big field trip to Imax and Silver city**. Approximately 75 of us started at Silver City with a movie and lunch, and soon we were on our way to Imax to finish up our field trip. Thank you Glad Tidings, Imax and Traveller's Inn for the donations.

**Big lesson learned - don't keep kids on a bus to long!**

The first annual **Celebration of Life** was a big success with approximately 30 ministries coming together for Victoria's largest fun fair for kids. Partnering with Glad Tiding Church, and by using their facilities, we were able to bring the body *together* for this exciting event.

***Hope to see you all next year!***

**SUPERKIDS** fun program is still developing and going well. We have Glad Tidings bridging the gap on Wednesday nights with SUPERSERIES. And Victoria Christian Center div.1 on Saturdays with **SUPERKIDS**.

# Surf Trip

WOW! Five days of surfing adventure. Partnering with Waves Of Grace Ministries we had a great time surfing. We were all taught lessons of forgiveness, and we had a great time. As we loaded onto the 30 foot Winnebago the kids were so excited, and couldn't wait to catch that big wave. After we all got home and settled, I got a phone call and the owners of the Winnebago said they wanted to donate it! Wow! So Extreme Outreach now has a Winnebago. A big **Thank You** to the Pesti family. Thank you to all the people who gave to support this trip! Lives were changed!

## May Day parade

With our convoy of kids and vehicles, we marched and prayed down the streets of Victoria. As we prepare for next year, we have a dance team ready, and more churches that are going to join us. I would like to see us get first in the float division. ***It's a great way to share Jesus.***

It was a big year full of exciting events. I need you all to pray for us, while we continue to advance the kingdom of God. People are learning that God is not a bad thing, but a Loving Father who cares for the people. The church of Victoria is really beginning to look outward and as we continue to work together, the revival is going to get bigger and bigger. There are a lot of needs out there and we, the team of believers in Jesus, can make a difference. We all know God blesses unity and remember, with one focus this will happen. I'm so excited to see what next year holds.

Our 2 Refuge Houses for men are going well. Plans continue for more. This is a big need, and we need your help. A fridge is needed, as well as 2 dressers. We also need more financial support to help cover cost, as some of the men don't have money when they first come. We are also accepting food donations and men's cloths. These are safe homes for men that want to grow in God. **Please Pray!**

This is our new shuttle bus! Thank you to all who helped work on the new bus. What a lot of fun this is to have, the kids love it. Thank you Travellers Inn.

We also are in need of a 75 passenger bus to transport kids to Super Series and SuperKids. As I step into the next communities with my kids team from Blanshard courts we will need much more help!

**Want to join the team! Call! 384-2064  
Please Pray for a new 75 passenger Bus!**

**We need your help!** We are in need of financial support.

As the ministry grows so do our financial needs. This can be done either by monthly giving or a one time donation. At the present time the barrel is almost empty and we could really use some financial support. Please pray for us. A big thank you to all who have given. Also I would like to welcome Lynnell & Michelle to the fund raising department. God Bless You all !

## **ATTENTION: Extreme Sunday!**

**December 18th** we are asking partnering churches to take up an offering for Extreme Outreach. This support will help take the financial burden from us and allow us to do more outreach to our city. Thank you!

## **Together Everyone Achieves More!**

Through forgiveness the arms of Jesus lift you, His blood cleanses you, and His love changes you. It is His free gift to you. Turn your heart toward Jesus. Pray to receive Him and His forgiveness by faith today...He will come into your heart and make all things new.
