GOOD NEWS

June 2007 Issue

Blessed is the man who finds a wife. Andrea and I just celebrated our 1st wedding anniversary. There is truly a lot to learn in marriage...a dying to self. Learning to put my wife before ministry has been a real paradigm shift. She is my flower that needs continual watering. I want to build my life up in relationship with God and then my wife. She should get the overflow of love not just the burnout. So often I'm giving her the leftovers which is not much. It is so great to have a loving and caring wife and ministry partner who stands with me.

Eph. 5:25-30

"Husbands, love your wives, just as Christ loved the church and gave himself up for her to make her holy, cleansing her by the washing with water through the word, and to present her to himself as a radiant church, without blemish, but holy and blameless. In the same way, husbands ought to love them as their own bodies. He who loves his wife loves himself. After all, no one ever hated his own body, but feeds and cares for it, just as Christ does the church— for we are members of his body."

This is one reason to look after myself, so my wife can have the best and not the leftovers!

Church Of Victoria gets together to make Outreaches A Success

Thank You North Douglas Church

450 plus people came out to the North Douglas Pentecostal Church on December 23/06. This was a very exciting time for all those who came out and participated in the annual Extreme Christmas Dinner. This outreach takes about 500 people to make happen. This includes: all businesses, intercessors, volunteers serving, financial donors and turkey cookers. All are equal in the part they play. Thanks to Liz Craig and her team who managed to get close to 300 stockings for the less fortunate women on the streets. Thank you also to the many who gave approximately 250 men's stockings. All stockings were given out the evening of the outreach.

Love Esquimalt Dinner went very well with a packed house! It's just amazing what happens when there's unity. As we partnered with the Esquimalt Churches to do this meal on January 13/06, I saw once again the power of the church working together. We had 250 food hampers, gifts for all the kids and lots of turkey and salmon. WOW it was so exciting to feel the presence of God in such a loving way. So many hearts were touched. It was good to see the 41 people wanting and receiving follow up. Thank You all who helped to make this possible.

Unity in the church!

My heart is always to build up the Kingdom of God. 1 Cor. 12:12-28 says we are one body with many parts. It's amazing to see how the body needs to function together. The church body is a very strong unit as long as it is working together. Now the body is not made up of one part but of many. If the foot says, "because I am not a hand, I do not belong to the body," it would not for that reason cease to be part of the body. And if the ear should say, "because I am not an eye, I do not belong to the body," it would not for that reason cease to be part of the body. We all are part of the body of Christ and have an important roll to play. No one part is more important than the other and we all have our part. As we learn to walk together let's not lose heart. Don't give up on what you feel called to do but press on toward the goal Christ has called you to.

SUPERKIDS CAMP July 17-20

Victoria's May Day Parade

This was a blast and very exciting for all. Through faith, the Extreme Team decided to continue with the parade this year. We started the parade with worship music and dancers dancing along with 62 SuperKids and we made our way down Douglas street giving Glory to God. **Thank You to Donn Mann Excavating** who donated the truck and driver. Donn Mann also did work at the Extreme Housing project and took 50% off the price. **THANK YOU** for your support and all the others who gave to make this happen. **This was a WOW experience!**

SUPERKIDS 2nd Place
in Community Float

Extreme Housing is making a few changes. We now have 7 families living in 7 of our houses as well as 13 singles in the other 2 houses. I need to refer anybody with addictions to treatment centres. We will still be here for you so please call for any referral information. We need help with Reno's and yard work if you are able to help in any way. Thank You Boyd for your continual help through your countless hours of labor. Thank you to the many others who have helped in this project.

SuperKids Camp July 17-20

Another season of SuperKids has just finished which brings us to our camp in July where we go deeper into the teaching of God's love.

Camp is always a good time!

Camp cost is \$170.00 per child. Last year 65% of the kids could not get financial assistance to go to camp. So we had to raise it through BBQ's and help from our supporters. We are going to camp Barnard this year where we will be in cabins, also enjoy hiking, fishing, playing lots of games and learning more about God's love and building our relationship with Him.

*"Camp is fun!
I Learn More About God's Love!"

We need your help!

"Just a little something for your news letter"

The staff at Shear Image would like to thank Extreme Outreach for the opportunity to give back to the community. It was also rewarding for my staff to see that their talents can make a difference. We had a wonderful time meeting the six delightful and deserving ladies. We look forward to working with Extreme Outreach again. The Shear Image staff and I would like to thank Faith Batemen Photography for donating her time and talents.

Yours truly

Laurie MacMillan (owner)

Thank You Shear Image for doing such a great job!

The Bigger Picture: 50 years from now it may not matter what kind of car I drove, what kind of house I lived in, how much was in my bank account, nor what my clothes looked like. But the world may be a little better because I was important in the life of a child. **Anonymous**

Shepherd's Guide is now in the hands of Christian Info

Two years ago I accepted the **Shepherd's guide** (advertising for Christian businesses) as a donation in the hopes of getting it up and running again. This goal was achieved last year and we have since passed it on to the Christian Info Society who has the resources to handle the size of the Shepherd's Guide ministry. Extreme Outreach will receive \$4,000 dollars cash and approximately \$30,000 in advertising over the next 3 years from the Christian Info Society. This was a large challenge for the Extreme team and was a journey none of us had been on before. But through GOD this was possible. **Great job team!**

Fast Times Car Club

We are in the process of building a home for a division of this children's ministry that helps kids develop their wood-carving skills. They will be working out of a new garage we are building at 999 McKenzie Ave. The land has been surveyed and we are waiting for the plans so we can get the permit to build. The garage is going to be 30 by 45 feet. This car club also helps to teach kids about the love of God. This is going to be exciting!

Thank You to all these businesses that gave in 2006 and continue to give. I also want to recommend to my readers that you give support to these companies. It takes a lot of finances and goods in kind to run a ministry and these businesses have taken time and money to support us here at Extreme Outreach.

A BIG THANK YOU TO YOU ALL!

After two years our Thrift Store has been closed. We at Extreme have decided to focus on the SuperKids ministry. The store was a real blessing to the community. Darrell did a great job managing the store. Our store gave everything away by donation so all could shop there. Many people gave their hearts to Jesus and now attend church.

Again, many people gave to make this happen!

Thank You
