

April 24, 2017

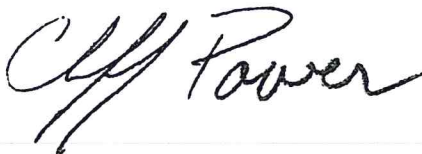

To Whom It May Concern,

Extreme Outreach is a registered non-profit organization located in Victoria, BC working to break the cycle of poverty, homelessness and addiction at an early age. We provide unique programs and services for at-risk youth and families that inspire productive lifestyles and develop future leaders, thereby strengthening communities.

One of our focuses is to provide an opportunity for kids to enjoy a true camp experience regardless of their economic circumstances. Year after year, kids discover perfect summers at our 5-day overnight adventure camp situated on a private lake in Sooke, B.C. Kids have the opportunity to form strong friendships, learn new skills, and to have a lot of fun!

This year, the camp dates are July 10th to July 14th, 2017. The basic cost is \$200.00 per child. Cheques must be made payable to Extreme Outreach Society and mailed directly to our office.

Sincerely,

A handwritten signature in black ink that reads "Cliff Power".

Cliff Power
Executive Director
