# 16<sup>th</sup> Annual Christmas Dinner

**YOU MUST HAVE A TICKET FOR THIS EVENT, CALL 250-384-2064.**

**DECEMBER 21, 2013 • 3 PM**

**Contact Extreme Outreach for all details.**

## Wish List

Here's what else we need to pull off two successful Christmas dinners:

- 80 volunteers (this fills fast so don't wait too long!)
- 75 turkeys
- 150 pounds of potatoes and veggies
- 50 bouquets of flowers
- 25 new bikes (for our awesome balloon-drop win-a-bike game!)
- 500 children's gifts
- 75 Sports Balls: (Basketballs, volleyballs, soccer balls, footballs, etc.)
- 1000 stockings
- 1000 pairs of gloves, toques, and scarves
- Financial donations also needed

More details at

**[www.extremeoutreach.com](http://www.extremeoutreach.com)** ♥

**F**eeding people a turkey dinner is an awesome ministry, which allows us to create a community where people feel safe, loved, and connected. We always need volunteers to come and build relationships with people, and the Christmas dinner is a fun and natural place to do so. The kids love to see their camp leaders, this helps build consistency in our ministry. If you have the opportunity to come and serve with us this Christmas together we will make a difference. ♥

“My family was given tickets to the Christmas dinner at Esquimalt Rec Centre through my grandson's school, Vic West Elementary. Myself and my son and grandson attended. It was a blessed time for us. That day marked a month since my grandson and I had seen his dad (my son), as he is sick with addiction. Many times we had feared the worse. January 2 marked the 2<sup>nd</sup> anniversary of my grandson's mother's death from a drug overdose. I was overjoyed that my son had entered into detox just the night before the dinner and somehow remembered about it! The lovely young woman that attended our table offered prayer and we gratefully accepted. Since then my son has gone to a treatment center in Vancouver. This is the happiest we have been in two years. We have hope. I want to say THANK YOU!!! From the bottom of my heart for your loving care to the community and for the prayers. I will never forget this blessing. A very happy new year to everyone at Extreme Outreach.” ♥

# Warm-A-Soul

**E**very year, we fill over 1000 stockings with gifts and treats and hand them out to those in need at local men and women's shelters. Though the primary goal of our organization is to focus on breaking the cycle of poverty by educating children, the heart of Extreme Outreach still breaks for those who are currently caught in the cycle of need. Many of those who end up at the shelters in Victoria have been rejected by their families, and would never have received a gift or even a Christmas greeting if we did not have the stocking outreach. ❤️

*"I love giving stockings to women who live on the street. I have had the opportunity to hold and pray for these precious ones on cold winter nights... and the love that I felt pouring down on us was incredible!"* ❤️

Director Andrea Power

*My dream job: to inspire children!*

## Here's what you do to get in on the stocking awesomeness:

- Each stocking should cost approximately \$20 to fill.
- For women and children, purchase one or more red stockings from Extreme Outreach or a store if you like.
- For men, use a pair of large wool socks. Put one sock in the toe of the other.
- **Fill it with items such as brushes, hygiene products, gloves, scarves, toys, books, games, and hard candy.** (Please DO NOT include food, used items, razors, or things that could melt, break, or harm someone).
- Secure the top with a safety pin if it's for men, or just make sure it's secure if it is a bursting red stocking for women or children.
- We will include a card of encouragement with your stocking. Please refrain from adding your own personal note or information.
- Drop off your socks/stockings at our office, 999 McKenzie Ave.
- **If you don't have time to make a stocking, consider donating financially so we can make one for you!** ❤️

**Watch our How To video on YouTube Warm-A-Soul, click link icon on Home page [www.extremeoutreach.com](http://www.extremeoutreach.com)**

[www.extremeoutreach.com/programs/warm-a-soul-at-christmas](http://www.extremeoutreach.com/programs/warm-a-soul-at-christmas) or phone 250-384-2064 ❤️

**W**e find that the men are often shocked to get any sort of gift; they are often left out of these kinds of ministries, and last year we saw grown men cry when they realized that they were remembered by us, and that someone was thinking of them. Jeff Meyer has teamed up with Extreme Outreach to lend a hand with the men's portion of the Warm-A-Soul sock drive because he believes in giving back to his community, and he understands the value of men. Jeff is passionate about people, and loves warming the hearts of men. Our thanks go to Jeff. ❤️

**Look out for Jeff's Annual Father's Day BBQ down at Juan de Fuca Recreation Centre, which is a fun way to spend the day with family. The event is free and everyone is invited.**

**Visit the website for more details [www.fathersdaybbq.com](http://www.fathersdaybbq.com)**

## Warm a Soul

- Get a group of friends to shop for stocking stuffers together, and fill a bunch!
- Have a contest in your office to see which group can bring in the most stockings (example Human Resource versus IT).
- Have each member of your family make a stocking for each member of a receiving family.
- Make it a school class project and have each student stuff a stocking.
- Stuff a stocking on behalf of someone else and give them a card to let them know what you did.
- Knit some scarves, toques or gloves with the community knitters club. ♥

## Stocking Drop Off

Drop off stockings **no later than December 10, 2013** at the **Extreme Outreach** office, 999 McKenzie Avenue, 250-384-2064 and **Serious Coffee** outlets, 1153 Esquimalt Road and 1701 Island Highway. ♥

For the last two years, the students at Glenlyon Norfolk School put together close to 700 children's stockings for us, which we are so thankful for. We were also able to gift stockings to children from four First Nations villages. Watch our video on our website link. ♥

This year we have the Glenlyon Norfolk School and the Social Justice /Leadership Classes at Spectrum High School both undertaking the Warm-A-Soul project.

[www.extremeoutreach.com/programs/warm-a-soul-at-christmas](http://www.extremeoutreach.com/programs/warm-a-soul-at-christmas)  
or phone 250-384-2064 ♥

Many thanks go out to **Liz Craig**, who has organized the 300 women's stocking project for the last 15 years. This year, we'd love your help to fill our stockings up with gifts for those who truly need to be blessed. ♥

If you don't have time to make a stocking, consider donating financially so we can make one for you!

Superkids starts; call for details

## What is Superkids?

**T**his season we were blessed to welcome many new guests to our Superkids Saturdays program, including **Arunima**, who taught our Superkids how to make healthy, handmade raw chocolates from scratch like the ones her company, **Ode To Thylacine**, sells (the less sugar, the better, when you've got 50 kids in a gym!). As well, we welcomed back **John Wason**, the fantastic storyteller and balloon animal artist, a favourite of our Superkids. Our hearts and stomachs were very blessed by the hearty Columbian hotdogs provided by **Daniel at La Fogata** restaurant, and we are always thankful for the lessons in healthy eating we get from the fresh fruits and vegetables provided by **Red Barn**!

Superkids Saturdays provides holistic development and mentorship to Victoria's children at risk in a safe, positive and non-discriminatory environment. We serve a free healthy meal to children each week, while teaching positive life skills and inspiring these future leaders. **Our #1 rule is to HAVE FUN! ♥**

**“The past two years serving at Extreme Outreach Society as a family is a gift. We do everything from Superkids Saturdays to Superkids Camp, to doing chores around the office. We get to be together as a family, as we love on these kids that need it and then see them light up because of it. We are all learning invaluable life skills and our hearts are growing in size as we give of our time and of ourselves. Extreme Outreach is doing amazing work right here in our city and we get to be part of that! It is a privilege to serve God together right at our doorstep.”**

The Ensing Family

## Once a Superkid, always a Superkid

**P**art of what makes our **Superkids** program unique is that kids don't ever grow out of being a Superkid. Since the program has been running for over ten years, we have relationships with several kids who have grown up in the program and surpassed the age 12 limit. Rather than saying goodbye, however, we create the opportunity for kids to continue to be mentored and to learn how to be a mentor by bringing them along as Junior Leaders and then Senior Leaders. One young woman, who started as a Superkid around age six, is now fourteen. Last camp, we brought her on board as part of our cleaning team (not super glamorous but still leaving enough extra time to hang at the lake and join in campfire and games!). She sent us the following comments afterwards:

**“Superkids has taught me a lot how to treat myself and others. I think if it weren't for Cliff and the whole organization, I wouldn't care about much. It's like he took me under his wing before I became a troubled teen and there's no way I could ever be able to thank him with words.”**

We are so proud of this young lady, who made the honor roll in her high school classes this year and continues to come out and volunteer with us. ♥

**“I grew up with the Superkids program. When I was five I started going to the BBQs and then eventually Superkids started up every Saturday at a church up the hill from my house. Cliff started running camp and it was something I looked forward to every year.”**

### Stories To The Extreme

**“Did you hear about the time when the Phili Giants challenged Little D and the SuperKids to a baseball game?”** So started my retelling of the David and Goliath story one Saturday afternoon. For the last six years it has been my privilege to share inspirational stories with SuperKids at their Saturday program and at summer camp. It is great to present God's love and care in a way that engages and speaks to the kids. And we know who wins in the end.”

## Kids Sponsor Kids

**F**or many years, Extreme Outreach, along with all its other programs, has been sponsoring children from around the world. We encourage our SuperKids to bring in their change to help with sponsorship of two children, Budima Indraj from India and Elisha Mathayo from Tanzania. Budima always starts her letter to us “Dear Loving Dad...” and ends them with “Your Loving daughter.” Elisha writes “On behalf of me I thank you for your letter and also I hope you and your family is okay. I am so proud of you for loving me, for your photo and sticker even for the news of your Superkids. Please say hello to them and I wish you all the best.” ♥

# SuperKids Camp

## Camp testimonial

“I had the privilege of coordinating the kitchen staff and meals for Superkids camp this past July. I enjoyed getting to know the kids and all their likes and dislikes and the ones who just don't know how to choose. I made sure that all the kitchen staff knew which kids had allergies and which ones just needed less choice sometimes. We all had fun making sure that the food was as fun as it was healthy. Thanks Cliff Power for all you do.”

Nola

## Camp testimonial

“Well I like playing with the big beach ball, and I just liked doing crafts and swimming. I made new friends, also liked that we gave those 8 year old boys the steam roll (a steam roll is when one group lies on the ground and the other group rolls over them to squish them), and I also liked sleeping as it made me feel like I was at home.”

## Donor Testimonial

“I attended camp as a leader. It was an awesome experience seeing all the kids interact with each other, have a purpose and have something to look forward to. The younger aged boys started becoming more independent and taking care of themselves and I encouraged them to do that. My kids had a lot of fun and they still talk about it today. They are very excited to go back again. Cliff and the team and all the helpers did an awesome job. There was more than enough help, lots of food, great activities and not a lot of down time, which is good for kids. It was very well organized and I highly recommend it; a very safe and good place, everybody is all about the kids.”

**Will your company be next to Sponsor A BBQ?**

Chances are you've probably seen our famous BBQ cart trailer cruising through Victoria at some point in time. Well our cart just got a major makeover, with a new grill and new paint job, just in time for our new SPONSOR A BBQ program launch! Here's how it works: each BBQ costs around \$300 to put on, which includes buns, hot dogs, condiments, Food Safe equipment, and trailer maintenance. We're inviting local companies to sponsor a BBQ (or two or more), and in exchange, we've outfitted our new BBQ cart with a big spot for sponsor logos to be inserted. So next time you see the BBQ cart trailing around town, it'll also be a moving advertisement for whichever company sponsored the BBQ for that week! We'll even invite anyone from your company who might want to come down to help out at the BBQ that you sponsored! Contact us if you or any businesses you know are interested. ❤️

## Volunteer Testimonial

*“In grade ten, I was offered the opportunity by St. Michael's University School to volunteer at the local community to attend an activity called the “Hot Dog Wednesdays.” Every Wednesday, I spend two to three hours of my time to give out Hot Dogs in a neighbourhood to the less fortunate families. The people in this community taught me how to have fun with nothing to accommodate with. The young kids between the age five to fifteen takes care of each other and treat each other like families.*

*At first, my initiative was to earn enough volunteer hours to look good for my resume, but as time went on, I enjoyed volunteering because **helping others is never a bad thing and always lending out a hand to everyone is a good thing.** This community profoundly attracted my attention to help one another and put a smile onto everyone; even to people that I have never met. These young kids approached me with a smile on their face and invited me to play with them on the first day I met them. I stepped out of my comfort zone to interact with everyone within this small community. The kids and I became friends and at times they even asked me to give them a piggy back ride which is tiring because they request you chase after another kid. These kids are energetic and never give up. They also taught me the importance of teamwork and **teamwork softens the difficulty of accomplishing something.***

*Teamwork is a very important skill to have and I applied this skill on the basketball court with my teammates. **The most important thing is I was having fun and I made the commitment of going to this activity weekly because I was enjoying it.**”*

Johnny Huang

*“When you hold a neighbourhood BBQ, you turn strangers into neighbours and kids feel engaged instead of imprisoned.”*

St. Michaels University School students started volunteering with Extreme Outreach at the Wednesday BBQs over five years ago. Some students participated for all of their four years of high school and got to know some of the children and families quite well. The volleyball team, several home-rooms, the soccer teams and the boarding houses came as well. ❤️

For several years Extreme Outreach has received the most amazing friendly service from Maxxam insurance. We operate a fleet a vehicles to transport kids to camp, fun events, extreme adventures, and haul the BBQ to many outreach areas. I can't say enough about the service from Maxxam they are a Grade A company.

## BBQ MINISTRY

Every now and then I have a spill over of gratitude. Looking back over the 15 years of Extreme Outreach Society, I cannot help but to over flow with a heart of thankfulness. I am just overjoyed with the realization of the lives we have reached and served in a variety of ways. However this particular spillover is one of gratefulness for each individual who has ever partnered with us in some way to make it possible to reach those in need. Together, with our partners, we have been able to reach literally thousands of men, women and children in our city and beyond. Christmas is a perfect example. I think of those less fortunate and single parent families who struggle before and during the Christmas season trying to make ends meet. Then I think of the faithful who approach the season with an intentional plan to help and serve those who are in need, which portrays a beautiful picture. So to each one who has ever partnered with us in any way to help us reach these precious ones going through a hard time – we honor, bless and thank you. ♥

## DONOR TESTIMONIAL: La Fogata Latina Restaurant

**La** Fogata is a local, family-owned restaurant serving mouth-watering Colombian food like Colombian hotdogs, gluten-free corn empanadas, and deep-fried green plantain. On several occasions, owners **Daniel Caicedo** and his wife, **Beatriz Carmona**, have provided giant Colombian hotdogs for our Superkids to enjoy. We are so grateful for their gracious support to us and wanted to get their perspective on why they give to Extreme Outreach!

*Because La Fogata is owned and operated by our family, we have been blessed with our kids. We make mistakes as fathers and mothers but we have a wonderful chance to help our kids grow up, to be in God's ways. We want to give this same blessing to other kids, like the kids at Superkids. ♥*

# 16 years with Extreme Outreach

**A**nother beautiful sunny day in Victoria Cliff Power and I walked out of his scruffy little room in “Holiday Court Motel” and began to walk down the sidewalk, when a woman approached us. She was desperate, in a hurry. She had no shoes, a rumpled little dress. Her hair was a mess and she had sores on her arms, face, and feet. To be honest, the first thing I felt was shock and repulsion, then grief and pity, with no sense of how to respond, other than to look the other way. This surprised me because, after years of pasturing Victoria Harvest Church I was used to being around the marginalized poor, who found our informality, compassion and acceptance, a safe place to come. But at this moment I didn’t know what to do. Even though I had compassion I was emotionally and physically immobilized because I didn’t know how to help or step across the “bridge” into her world.

Cliff, on the other hand, knew her, and stepped toward her saying “I see that little smile.” And sure enough a tiny smile peeked through the pain and urgency on her face. She knew he authentically cared. He connected with her and she gave him a very rare gift... trust. She hurried past us to the motel to get a fix, to feel better, to find a “John,” to get some money, to get a fix... and so on.

I had known Cliff for years. He attended our church. He is a man on a mission with a BIG vision. At this moment I got a glimpse of how extraordinary he was, his depth of compassion and how easily he crossed that “bridge” most of us don’t want to because of fear, or don’t know how. That was Cliff doing what Jesus did. Months before we had rented a room that had become empty because the tenant died of an overdose and eventually Cliff moved in to the place Victoria Police said it is the worst place in the City.

Who we didn’t expect to encounter, were the children of the adults associated with the motel. It wasn’t long before Cliff had lots of young people around him. He became aware of the very difficult home lives for many of them, their parents hopelessly gripped by addiction and the

accompanying lifestyle. **He knew these kids were heading in the same direction, but not quite there yet and he had faith they could be reached before they were.** Our loving Father in heaven was planting the seeds for the vision for “Super Kids.” Some years later a brave wonderful woman who had a heart and gifting for children jumped on board Cliff’s vision (speeding train). She was in love with what Cliff was doing and fell in love with him, and he with her. Cliff and Andrea were joined together in marriage and ministry.

During those beginning days, months, and years the foundational values, character, and ministry of “Extreme Outreach” were developed and continue on to this day .

What a ride! What an adventure it has been. So many stories of the redeeming love of God touching the lives of children and their families through the “Super Kids” program, “Super Kids camp, Community Christmas dinners, and other events.

I tell this story because it is an example of a significant part of the ministry of Extreme Outreach. Cliff is a person who is not afraid to cross the bridge and go to the less fortunate, hurting, and those in need. According to Ephesians 4:11-13 *God gives gifted people to the church who’s responsibility is to equip and give opportunity/make a way for God’s people to do His work and build up the church.* It takes hundreds of volunteers every year to fulfill God’s compassionate ministry through Extreme Outreach. These volunteers are individuals, people from organizations, schools, businesses, and from churches. There are so many things to do and ways to serve, anyone can be involved, from pastoral care to waiting on tables, administration to face to face with a child, small and large financial contributions – one time gift to monthly contributions. Extreme Outreach gives you the opportunity to participate in a compassionate outreach bringing hope to the lives of children and families in Greater Victoria Area.

## Letter from the Founder and Executive Director

**A**t Extreme Outreach, our mission statement is to provide holistic development and mentorship to Victoria's children at-risk in a safe, positive, and non-discriminatory environment. We believe and use the same philosophies and principles as Metro Ministries, the largest children's outreach in the world!

Why focus on kids? We have found that it is easier to build up boys and girls than it is to repair men and women. Most organizations reach out to people after they are in crisis; we have made our stand on the side of prevention. Through our varied programs, we help prevent potential problems from occurring. If you would like to join in our mission of prevention, then sponsoring a BBQ or Superkid is for you. ❤️

Sincerely,

**Cliff Power**  
Executive Director
