## SUPER KIDS

Let me introduce you to the Powell family. Starting on the top left, Amy, Rachele, Remona, Mark, John, Christiana, Kara, Sarah. Mark and his family are committed to Super kids and have now partnered with Extreme Outreach. Mark oversees the Super Kids program while Remona takes care of Volunteer coordination as well as many other duties. This family is like gold. I could not do Super Kids without them. The goal is to release this division of Super Kids to a team from Victoria Christian Centre and then start another one. We are currently in the planning stages for our next one. Thank you to the Powell family.

Here's a picture of 50 Super Kids. We have had over 120 children come out and there is a regular attendance of approx. 50 every Saturday. This is an upbeat program starting at 10:00 am. At 12:00 the kids start coming in and 12:30 is lunch time. At 1:30 we have games then we move into a teaching time and share God's love with them. We have drama, puppet shows and music. It's exciting to watch them learn about God for the first time. When they lift their hands in Praise to God it brings tears to my eyes. We are always looking for more help. If you want to exercise your faith in teaching, praying or any other areas give **Remona Powell** a call at **384-0701**.

## SPONSOR A CHILD

In the first week of June I got a call that one of our 6 year old super kids was attacked and her bible was thrown in the garbage. Thankfully a neighbor saw this happening and came to her rescue. This motivated me to start a prayer covering sponsor program for all the children where each sponsor would be committed to praying for a child. We now have a sponsor for the 6 year old girl and we need 50 more for the other kids. If you would like to sponsor a child in prayer call 384-2064 and we will set you up with a child. You must be under the covering of a church and have a personal relationship with Jesus. As we all work together we **can** make a difference. Thanks.

Extreme Outreach is a team from the body of Christ that wants to see Gods kingdom here on earth. We will soon be having a baptism and I will let you know when this is. **God Bless You**

## Fathers Day Outreach

What a great day we had on Fathers Day! A team from **The Place** came out to cut lawns and clean up the residents' gardens. We had a BBQ where over 150 people came out for lunch. These outreaches help to show love and kindness to a community, not just an ordinary love but a love from God. The community of Evergreen Terrace (formally Blanchard Courts) has been getting an out pouring of this love for over a year now as different groups have come out to put their love into action. Special thanks to **THE PLACE CHURCH** which has a Sunday night service at Lambrick Park Church.

## MOTHERS DAY OUTREACH

Mothers Day May 12/03 was a special day at Evergreen Terrance. Cliff and a group of volunteers from Lambrick park church appeared at 1pm. The mission was to share the **love** of God through acts of Kindness. Thirty yards were cleaned up that day lawns were mowed and gardens cleaned.. During the day we had a bbq and each mother was handed a flower. I was impressed at how well the volunteers worked together with one heart sharing the **love** of God. We are looking forward to the upcoming outreaches and to see God move again through His servants. Come along and join us in our outreaches in Victoria.

Reminder we at Extreme Outreach are planning a city wide outreach called **The Father Loves Victoria**. This will take place Christmas Eve. Were expecting a big turn out. We'll keep you posted. This event will take about 100 volunteers so if you can mark your calendar now. Lets take our city for God!

## CAN'T THEY JUST GET ALONG

**As our world is changing fast, I want to remind you to pray for our country and other leaders in the world. We are so close to the return of Jesus.**

**ARE YOU READY?**

# TORONTO OUTREACH

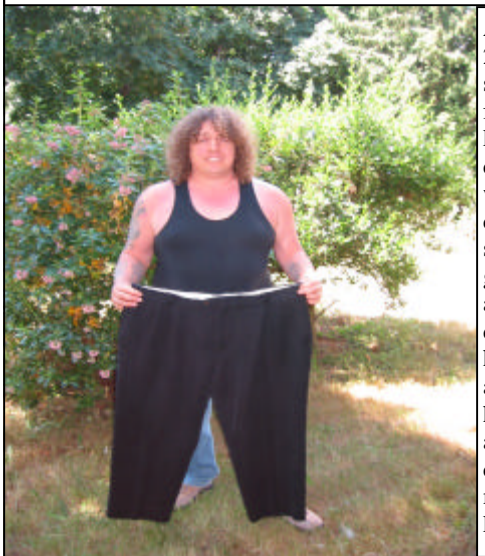

I was excited to go to Toronto with John Gowans as we went on a mission to find his lost brother who he thought was dead. I did outreach at the Followers Mission last year. ( This is a mission to street people in the worst area in Toronto). And as it turned out his brother was only a few blocks from the mission. As the reuniting took place I watched as 2 brothers talked after being apart for 35 years. It was amazing to see God work it all out. John was a real blessing to me and provided me with an extra week in Toronto so I could do some street evangelism with the mission. Over 35 people made a commitment to Jesus. This outreach is very special they have everything here and provide the needs to the poor. This is a true example of church and how it should function. John and I will be going there next year to give a week to the mission. We will be taking a team with us. I will let you know more on the details next year. Praise God EH!

## LION OF JUDEA YOUTH RAISE \$1000.00

It was really good to see the youth working together to raise there \$1000.00 they needed to go to Avalanche Youth Conference. I got a call to see if I would help the youth raise some funds so I let them use the Hotdog Cart and gave them some tips on raising money. It was a blessing to see other youth from Victoria Harvest Church helping the other youth and they weren't even going on the trip. Also Sannich Vineyard providing the grounds for the conference. This was the body of Christ working together. I later got a call to go on the trip with them so I had to go. It was a blast as nervous parents watched us pull away in the outreach van and were on our journey. As the youth commented on my driving skills we were on our way to experience more of God. Keep Pressin on

# ONE AB VANISHES

As I spent years being a part of the "one ab club" I noticed my health getting worse. I reached 280 pounds and could rest a pop on the top of my ab. I did it I was in the club. As another ab starting forming below my big ab I thought ooooh this isn't to good. I began feeling a lot of fatigue and instead of rolling out of bed I would just roll over, that was my exercise. God was know convicting me to change this area if I wanted to run the long race. So it was time to exercise, look out I was on a mission. I read all the diet plans. Went a bought a sweat suit from wal-mart. The suit said lose weight fast so I began to use it and I thought if I wore it at night I could lose weight as I slept, well in the middle of the night I woke up gasping for air. With the suit stuck to me I ripped it off as fast as I could. I do not recommend the body suit. I joined a gym got a personal trainer to help me at first, and have maintained my work outs. I have failed a lot but I keep pressin forward. I am now on a plan that works, it is a life style change not a diet. I find it funny that every plan seems to focus on cleaning out the system, man I tell you I have never been so cleaned out. I have lost 45 pounds and 8 inches around my waist. Also about 2 inches around my face. I still have a ways to go but with God all things are possible. I have a really good system down and want to open this up to anyone who needs help in this area. If you are interested in a weight lose home group where we learn eating habits and exercise also pray for each other give me a call at 384-2064. Also fitness World has offered a One month free pass to anyone who brings in this coupon from Extreme Outreach .Remember to keep it simple as you start and when you fall a little just fall forward and **keep pressin on.**

Here is a picture of the new Extreme Outreach Van. It was donated as a blessing but the person did not have the funds and the check bounced. Victoria Sports Utility has been very understanding because after driving this I can't give it up. The van was listed for \$10,900 and they gave it to me at cost \$6500.00 .I have until the end of July to come up with a solution. Part of the solution is sell my other 2 vehicles. And also ask you all to pray for this situation.

**PRAY FOR ME**

This is the anointed 1990 one ton 12 passenger van. This van has traveled to youth conferences, detox centers and was part of the Holiday Court outreach for 5 years. This is a must for your collection or for your work needs. Runs great and will be a good work horse. Will take offers

With all the decisions and outreaches I plan. I'm beginning to see I need more prayer partners. I have had bigger battles this year and need your help to pray. This is my Prayer request.

**That my Love will abound more and more in knowledge and depth of insight, so that I will be able to discern what is best. To be pure and blameless until the day of Christ. And to be filled with the fruit of righteousness that comes from God. And always to give God the Glory.**

This here is a kick back and relax car fully loaded 1988 Dynasty with all the comforts of cruising. As you praise the Lord you can open the sun roof and lift your hands to God (just steer with your knees) A great car . Motor has only about 40,000 km, new paint, new tires new transmission, new battery, new shocks and springs. A good car and this can be yours. Make an offer: 384-2064

**Thank you and God Bless You  
 Cliff**

**Thank You** to all who gave financially to the request in the last newsletter all the needs were met. I Thank You and praise God for you. I am full time now and do not rely on a salary ,I am learning more and more about Gods provision and see how He is working in me to trust in Him. I'm an idea person and need to give them all to God. I have learnt that I can not spend too much time in the area of fund raising because it robs me from winning souls. God does provide though people like you. All my needs and ministry needs have always been met. Sure I always want more, outreach center, treatment houses and so on. But it is all in Gods timing. I love God so much for His love is always true and never gives me to much to handle.

**Thank You again for your support**
