Growing Pains ...

Sunday Night Outreach

In partnership with other outreach ministries, we started a Sunday Night outreach at Victoria Harvest Church. In just two weeks we have over 100 people attending.

This is a non-denominational outreach. If you would like to volunteer or contribute in any way, call us at
(250)384-2064.

Thank you to Victoria Harvest Church for their continual support in helping others.

I would like to thank Chris for the three months he's given to the Outreach as he journeys back to Los Angeles to serve at the Horseman's Ministry at the Dream Centre. Here is Chris's testimony:

I've been adopted three times since I was a child. No one wanted me. I was brought up in a lifestyle of witchcraft and darkness. Today, since I have Jesus in my life, I feel I'm part of His family. When I was 12 years old, I began riding in rodeos. At 18 I won my first Rodeo Championship. Then, later on, I was a four-time National

Rodeo Saddle Bronco rider, and I placed 39th in the Worlds in Australia. My career also took me to places in Japan, England, Ireland, Germany and the Philippines.

Even though throughout my career I was empty, instead of turning to God, I searched other ways to fill that gap. That's when I used what I was taught as a child—witchcraft and violence. I didn't want anyone to get close to me. My lifestyle eventually took me to prisons in the U.S. and in Mexico.

Today Christ fills my life and I pray others can see Jesus in me so that I could share this love of Christ that changed me as He had changed others. It was all God who led me to the Dream Centre in L.A. For one year I was in discipleship under Dominic Gaccetta and Pastors Matthew and Tommy Barnett. God used them to change my life around 180°. Getting near the end of my time I was going to have to come back to Canada, but not knowing where to go. That's when I met Cliff at the Dream Centre in late June, and he invited me to come after I graduated the Dream Centre. I was blessed totally to share my testimony on TV with Pastors Tommy and Matthew Barnett, and Dominic on T.B.N. (Trinity Broadcasting Network) I was also blessed to be able to speak at churches in all states and then coming to Victoria. Since I've been here, God's helped me walk through a lot. I have all my pieces of Canadian I.D. now, and since I've been out of discipleship, I've had to walk out what I have been taught. I just thank God that it was Him who sent me here, and blessed me to be with Cliff and the awesome things God's given Cliff in his life-changing ministry.
