Surf's Up

The annual surf trip with our Junior leaders was a great time at Long Beach Tofino. Thanks to Paul Ainey who came out to teach us how to surf. The waves were awesome and we had such a great time together.

Pouring into these kids lives is the best thing going.

More Camp Fun

Camp 2007 was so exciting! We had 48 kids and lots of help from Hope Bay Bible Camp. A big Thank You to all the help we received. 90% needed to be paid for. Thank you to all of you who gave to help these kids come to camp. The kids had such a great time that they wanted to stay a month... Next year will be just as fun! :) Sign Up now to help on July 6-12/08

What a great time as 17 boys and 5 adults went and enjoyed a time away at the BC Lion's and Calgary Football Game. It was great to bond with the kids, sharing our strengths & hopes. Thanks for the tickets Dave (BC Lions Chaplin).

We can do everything through him who strengthens me. Philippians 4:13

The New Garage

Over the last couple months we have been constructing a new garage. Half of this building will be used for Youth For Christ's Fast Times Car Club. The kids will be meeting several nights a week to learn wood working skills and will be making a car out of the wood. They then take their creation to camp for 3 days and race them. This is a time where kids learn about Jesus and His ways. We need about \$30,000 still to finish this project. If you can help in any way that would be great. We are most grateful for all the support and volunteers in this project. In our next issue we will give special mention of all those who have helped with this garage.

Sponsor a Child in Victoria

Sponsor a child in the Super-Kids program. We have 180 children that need sponsors.

Twenty dollars a month will support a child.

We encourage you to pray for your sponsored child.

With a parents consent we will send you a picture of your sponsored child.

Lets have the best Christmas ever.
