11th ANNUAL EXTREME CHRISTMAS DINNER

WHAT DOES AN EXTREME CHRISTMAS LOOK LIKE

We always start with lots of prayer before and during the event. Then we line up the troops as they begin to phone in to volunteer. This is a big event and by the time it's over close to 500 people will have helped put this on.

Liz gets her team together and puts together 250 women's stockings! This is Liz's 10 year with us. Thank You Liz and your team for always taking on this challenge.

Different youth groups show up with stockings of all sorts! Thanks guys!

The goal is approximately 1000 stockings!

Then the gifts begin to pile in as we get closer to the dinner.

The big day! Approximately 450 people show up and the fun begins.

Our guests await the famous balloon drop loaded with gifts.

This is one of our many bike draw winners

Our kitchen crew always have a great time. Come & join the fun!

It's the perfect time to share a meal and a gift with the kids.

After the outreach dinner we do the stocking hand out. It's a great time as we drive to different locations and walk the streets to hand out all the stockings.

This is a picture from my very first Christmas dinner at the Holiday Court Motel in 1996. Steak and perogies cooked on a BBQ. It's always a great time to hand out gifts and stockings.

This is a great time to share your faith and give a helping hand!

SuperKids Camp 2008

From Worship to madness we had a great time at camp. Thank you again to all who helped put this camp together. This year 58 children and 40 volunteer leaders attended camp. Each year it just keeps getting better. It was great teaching the kids more about coming into a relationship with God and how that can change their lives. Thanks to John Gowans for helping raise the funds for camp, and of course the many others that helped. It takes so much to put this on and it's amazing each year how God provides all the needs and more. Thanks God :)

In the next issue we'll take a closer look at SuperKids and the camp!

We had another great year in the parade. As we drove through the city it was exciting to see all the kids having so much fun. Thanks again to ***Don Mann Excavating*** for use of their semi & trailer, and thanks to their driver Rod.

The New Workshop is Done

Over the last year we have been constructing a new garage. Above are the before and after pics on the project. With the paving finished and tools in the workshop we are ready for action. It's been great to work with Fast Times car club on this project. Fast Times had a great turn out in our new garage this year. They train children in wood working and share the gospel with them. As I push my automatic door opener I am reminded of 11 years ago when I was at Holiday Court Motel pulling my old BBQ out of a shed with the wheel falling off as I prepared for a BBQ. I'm so excited to have this long awaited dream come true. ***Thanks again God :)*** I want to thank Gerald Mikkers for his hard work in helping manage this project. We were both reminded of God's grace and wonder as all the needs were met.

In the next issue I will share more details of the companies and people that helped and the testimonies of how this got done.

How You Can Help at our Christmas Dinner

- 80 Volunteers needed on December 20/08
- 50 Turkeys and turkey cookers (details when you call the office)
