KEEP PRESSIN' ON !

Greetings once again. Hope you are well. So far, this year has brought a lot of adventures and gifts. Hope you enjoy this newsletter and that it brings you closer to Jesus.

Prayer Mountain, South Korea

Six Weeks at Prayer Mountain-what an experience! At the beginning of my trip, I prayed, "God, is this your will?" All of a sudden, a rainbow appeared around the shadow of the airplane in the clouds. I took this as a sign that God was with me. What an incredible place! 800,000 members in Pastor David Yonggi Cho's church, and 7,000 people at Prayer Mountain. Non-stop buses come to pick up and drop off people at the mountain. People come for days and even months to fast and pray. The prayer rooms, 300 in total, are very small as you can see in the picture below. Below you can see me praying at the North Korean border with my friends from Uganda and Australia and pouring anointed oil from Santa Maria California healing rooms over our hands into the ground, asking God to heal the nation. Also, we waved the flags at the top of Prayer Mountain, asking God to release an anointing to take back to Victoria. In the background of the picture you'll see the sanctuary built to the dimensions of Noah's Ark. I was asked to speak at an African church in Korea where the Holy Spirit poured out and touched their hearts. Before I left, if you told me I would be in Korea speaking at an African church I would have thought you were nuts. It was truly a blessing to meet some of the children there, they all like to do the peace sign. I was thinking, "What a great place for Super Kids". I was invited back and offered a job at a very large youth church, but I have a mission here in Victoria to finish. They love Canadians and wanted me to stay. Korea was a great blessing. It was truly amazing to see the work of God through His servants. They are very organized and extremely professional. Here, we complain about the newspaper and the stories they write; there, they just buy the newspaper company. I will be watching and partnering with the work of God in Korea. It is miraculous to see. As I was getting ready to leave for home, a family had a very special cake for me and sang a song in Korean. It was a song of blessing that really touched me. Another family wanted to give me a special dinner but when I was told it was dog, I said, "sorry I'm just too busy".

Prayer House

After I returned from Prayer Mountain, I just had to start a Prayer and Fasting house. To my surprise, a donation of six houses was waiting for me. **WOW!** Praise the Lord! So, I started a prayer house. A room can be booked for private prayer, or come as a group and book the large prayer room. Darrell, our hospitality coordinator, will be glad to take your bookings. We also have a prophetic art group that comes once a week to do art and pray. Here are a few testimonies of some lives that have been touched:

An awesome experience!

I immediately felt the presence of GOD as soon as I went in. Like few other times, it was easy to simply be with GOD. No asking, pleading, wondering or waiting. I left refreshed, redeemed and invigorated. **Thanks for such a great refuge!**
In God's Service, Bob Lord

I can really feel the presence of God. It's awesome and very refreshing Darrell Craig

Refuge Houses

As I begin the house ministry, we have thirty-one men at all different levels in the Lord. At this time, I have found this overwhelming and way too many. Although many lives are being touched by God, I have to dedicate one house for full-time ministry servants. If you would like to apply for a full-time volunteer position, you can apply to Extreme Outreach or call for an appointment. We have five positions available. Details will be worked out on an individual basis.
