SPECIAL EDITION

19 Baptisms

Unity is where it all begins. God blesses unity. Psalm 133 tells us that **when we come together in unity... the Lord will COMMAND HIS BLESSING.** I am going to give you a brief history of the Evergreen Terrance Story, formerly Blanchard Courts, and through this you'll see how working together in unity will bring God's blessings to you and your community. After doing outreach for 5 years at Holiday Court Motel the area began to change, drug dealing and prostitution were no longer allowed. I felt God leading me to move on. So through a friendship built with Rob, one of the youth at Evergreen Terrance, I went over and started a BBQ at the Basketball Court. My main goal was to focus on the teens playing basketball. One detail I didn't realize was that I was doing this at the elementary school. As the crowd started to come out, there were up to 200 people, and most of them were 12 and under. As time went on it became known as "hotdog day" at the school. The teachers and even the principle came out and personally thanked me. WOW! So I decided to just go with the flow. Hotdog Day it was! I was so excited. Then there were 200 plus people out every week, but the helpers started to dwindle. So the kids took over and I started training them to serve their own community. Wow, it is challenging but sure is worth it !

Thank God for a **Ywam** team who helped me for 3 days and youth from **Victoria Harvest Church, Lion of Judah, Uncle Al's youth, New life community, Doug and Val's home group, and many others.** Thanks to all who have participated with us in helping our community. Winning souls can involve a sacrifice & giving up a lot, but it's worth it! When I started at Evergreen Terrance there were about 7 or so Christians that I new about. Now after 1 and a half years, there are over 120. Many groups have been out to help and it has been just amazing. **Lambrick Park Church** has been a huge blessing as well as many others like **Victoria Christian Center** who have given us the use of their building & volunteers for the SuperKids Church. Here are a few more congregations that help Extreme Outreach: **Transformation Life Centre, New Hope Baptist, New Life Community, Western Community Baptist, Light House Christian School (the kids baked hundreds of cookies for Christmas outreach).** **Glad Tidings Church** has recently jumped on board. As I shared the vision with them and the problem I'm having with discipleship, they asked how many people do you need. Now we are in the middle of a plan to get all the people into discipleship. Also thank you to the faithful servants of Victoria who have helped with Superkids and all the other outreaches we have done. This is a lot of work and takes the body of Christ coming together in unity to change a community. It was great to have the **Access Church Group** out at City Hall for a BBQ outreach, they were so natural at it (**are you guys ready for another one?**). Saturday April 11 was a special day, not only was it Easter weekend but it was also a baptism weekend. The kids came ready to be baptized , with bathing suits & towels in hand. We had lunch together first, followed by a time of Praise & Worship, where the presence of God was amazing! It was great to watch them one by one come up and be baptized. All of this is the fruit of us all working together. Lets pray that the kids will be unshakable in their faith. Thanks Victoria

Please Pray!

These are a few of the 15 kids being trained for the next Outreach that I am starting in another community close to Evergreen Terrance. Please pray for protection, favor & grace for all the kids as they begin to help change lives.

Last week of Friday night, April 23, it was very windy in the city of Victoria. The Lord gave the same vision to some wonderful intercessors about that wind. He told them that the wind was being caused by the movement of the wings of thousands of Angels that were over the city to prepare the way for the Lord to descend on Victoria. He came that night to bring miracles of repentance, reconciliation and healing to his children here. Amazing! PRAISE GOD!!
