Annual Extreme Christmas Dinner

Every year we warm the hearts of children and families from our SuperKids and BBQ ministries by treating them to a traditional turkey Christmas dinner with all the trimmings. Our 2009 dinner was an afternoon to remember with live entertainment, games and more, and this year we plan to make it even better! Every child gets to choose their own gift from a huge selection...it's Kid heaven! A highlight is our famous BALLOON DROP with hundreds of balloons released from the ceiling after dessert to the sheer excitement of the crowd. Some contain a gift-card and the bearer receives a FREE bike! For many of our guests, this is the highlight of their whole year.

Thank you to St. Michaels University School, Lambrick High and all our regular volunteers who will be helping out this year. We couldn't do this without you! ♥

We need ten bikes for our 2010 dinner as soon as possible. Can you help?

Warm-a-Soul Program CHRISTMAS SOCK & STOCKING PROGRAM

At Christmas time, our volunteers go downtown and hand out over 1000 stockings to men's and women's shelters and the homeless. Stockings are filled to the brim with candy, small gifts, toys and more. For some this is the only gift they receive at this special time of the year.

This year we have the participation of the navy base in Esquimalt helping donate and make up socks. In addition to our office, the Serious Coffee locations in Esquimalt and View Royal will be acting as drop-off points for the socks and stockings. Check out our website at www.extremeoutreach.com on the tab "Extreme Christmas Dinner" for more information!

There's nothing more heart-warming for people in need than to feel the touch of God's love at this time of year! ♥

“Stockings and flowers Extreme Outreach Society donate to the older women at our Harrison Place facility are very well received.

Many of the women go without gifts at Christmas. Women hugged and thanked me, and several were in tears when I delivered the gifts. It was a pleasure to be a part of such a happy occasion. We are grateful that Extreme Outreach Society remembers our charity at Christmas!”

Donate-a-vehicle Program

This Christmas, give the gift of a changed life...

Your unused car, boat, RV, motorcycle or anything of value will help continue our essential outreach programs. It's hassle-free: we tow-away AND you get a tax receipt for the fair market value! Call 250-384-2064 for more information. ❤️

“In 2007 we needed another vehicle for our programs and a very giving couple donated their 2003 Ford Windstar. It's been such a blessing, a reliable car for our BBQ outreaches and used to transport kids safely to and from their destinations around town.”

Cliff Power, Executive Director and Founder

“Because of what you do in the community there will be less youth in custody, thank you.”

BBQ Ministry

Our popular Wednesday outreach to different communities in need in our city continues to be a hit! We serve over 300 hotdogs on cold days to grateful children and parents at various housing complexes and other areas. The children have a ball playing all kinds of games and learning how to BBQ. Part of this outreach is teaching children how important it is to serve in their own communities. Recently, SHAW TV joined us at a BBQ event and featured some of our kids who shared how SuperKids has made such a difference in their lives. We have an awesome time! ❤️

SuperKids Saturday Program

This is the eighth year that Extreme Outreach has provided a fun and safe program for children 6–12 years. We provide transportation to and from our location in our colourful SuperKids bus. The kids enjoy a great day filled with crafts, music, games, wholesome meals and more. This encouraging, hope-filled environment helps to build a positive foundation for children to make healthy lifestyle choices. ❤️

“It’s better now that I’m learning about forgiveness. I’m gooder now and not swearing as much. The surf trip was awesome.”

SuperKids Camp 2011

A highlight for our SuperKids is the annual summer camp. Every year we take them to Camp Barnard in Sooke for five action-packed days filled with laughter, fun outdoor activities and a special time to get to know each other. The children have a blast and they are especially encouraged to work together in team building exercises. Last year the kids participated in an Amazing Race! The children split into teams, working together to follow clues and find a specific location at the camp! Our SuperKids experience everything that camp-life has to offer, from music and stories around the campfire to sleeping in cozy cabins! ❤️

“It’s my fifth year at SuperKids and I learn so many games, songs and I love the lunch! It’s a really cool day when Cliff comes to do the BBQ. One thing I learn about God is that He is awesome and He’s about love, joy and peace.”

8-year-old SuperKid

“I’ve been on the BBQ team for three years now. I started with clean-up and then went onto handing out buns, then put the hotdogs on the grill and finally I cook the hotdogs. One day I hope to have my own BBQ Cart. I like to help others.”
