**E**xtrême Outreach Society is a local non-profit organization with a vision to break the cycle of poverty, addiction & homelessness before it begins. We provide unique programs and services for underprivileged kids and their families in a non-discriminatory environment. ♥

## OUR PROGRAMS

**VOLUNTEERS ALWAYS NEEDED**

### BBQ OUTREACH PROGRAM

This interactive outreach has proven successful since 1998. We connect with families in need almost every week by providing FREE hot meals, rain or shine! Kids learn how to BBQ and serve their community, which builds their confidence.

**Sponsor a BBQ (\$300)**

### SUPERKIDS CAMP

We are committed to ensuring that kids in our community have the opportunity to enjoy a true summer camp experience regardless of the economic circumstances of their families. At camp, we cultivate positive life skills, teach kids about the environment, and develop future leaders in a way that appeals to kids.

**Sponsor a child to go to camp (\$200)**

### EXTREME COFFEE HOUSE

Come by for a coffee, latte, lunch or snack – all available by donation. All net profit helps to fund the programs of Extreme Outreach Society! Complimentary WiFi is available, as well as a fun children's play zone. Rent the Coffee House with full barista services for events up to 40 people. Full information is available on our website.

### YOUTH JOB SKILL TRAINING

Extreme Coffee House welcomes youth seeking job skills to our new **Youth Job Skills Training** program, which is free of charge for youth. We provide on-the-job training in mentorship, barista training, light cooking, Food-Safe, sanitation and serving the public. Youth will be given the chance to increase confidence and work through areas of personal difficulty in an uplifting environment while serving their community. Participants will gain the confidence and skills to enter the work force.

*“Developing work skills in youth prepares them for their future.”*

– Cliff Power

### CHRISTMAS WARM A SOUL

Every year we fill over 1000 stockings with gifts, practical items, and treats. Our stockings are given to children in need, as well as those in local shelters, detox sites, and living on our streets. Although we focus on the children who are caught in the cycle of poverty, we also support those who end up at shelters, often feeling alone and alienated – those who would otherwise not receive a gift at Christmas.

### EXTREME CHRISTMAS DINNER

The highlight of the year! So many families in need have told us that our Christmas dinners are now their tradition. Many of these families could not afford to have a traditional Christmas dinner on their own. We love the opportunity to meet the families, and bless them with dinner, gifts and friendship. This program creates a festive atmosphere where everyone feels connected to one another, enjoying a sense of community. Kids love this special time!

### SUPERKIDS ADVENTURES

Activities in this program are designed to bring hope to children and youth, and to inspire them to become leaders in the community. SuperKids Adventures include surfing, boating, wilderness field trips, hockey games at Save-On arena, and other special events, and more – creating memories that last a lifetime.

*tis the season...* 

Here at Extreme Outreach Society, we are getting ready for our 23rd Annual SuperKids Christmas Outreach for underprivileged children, youth, and their families in the Greater Victoria area.

Due to the ongoing pandemic, we are unable to safely host our Annual Christmas Dinner for 500 guests.

Instead, we are excited to be hosting a SuperKids Drive-Thru Christmas! Every child will receive a present and stocking, and every family will receive a hamper.

We also run our Warm-A-Soul Stocking Campaign for the Christmas season, where we hand out over 1000 stockings to those in need.

We appreciate your support and partnership over the years. To find out more about us & our Christmas outreaches, please visit our website at

# Warming the souls of children this Christmas

**T**hink back to the magic of Christmas that we have all hopefully experienced on Christmas morning as a child – rising at the crack of dawn, tiptoeing down the stairs and bolting to the stocking filled with gifts from Santa. Now, imagine your childhood without such a luxury. Hundreds of children in our community are caught in the treacherous cycle of poverty and have never received such a gift. Holidays and luxuries we take for granted would be life-changing for a child.

Each year, EOS hosts a Christmas and New Year's event to spread cheer and raise donations to help fill 1000 stockings. EOS focuses primarily on children who have been subjected to poverty, but also supports individuals who live in shelters, detox, and on the streets. These individuals have many needs, and without your generous donations, would not receive any gift at all. As a community, we feel it is our responsibility and privilege to offer kindness and Christmas spirit to all.

*"I gave her the stocking and she asked 'is that for me?' and then tears started flowing down her face. This had been the first stocking she had ever received in her life."*

Help us fill 1000 stockings with gifts, hygiene items, and treats for our children, by sending a financial donation. We will be filling the stockings ourselves this year. The **Warm A Soul** campaign runs from **November 15 to December 15**. The stockings are delivered during our new **SuperKids Drive-Thru Christmas**. To help us reach our goal of 1000 stockings, we need your help. Businesses, schools, groups or individuals can easily get involved in bringing joy to hundreds of children in need this Christmas. Each stocking costs approximately \$20. Any contribution you can give, big or small makes all the difference in a child's life this season. ❤️

## Help Us Make a Difference

### WARM A SOUL DONATIONS

Our goal each year is 1000 stockings.

Our record is 1610 stockings.

**Let's see if we can break the record this year.**

# Covid Relief Outreaches

**D**uring the pandemic, Extreme has been able to deliver food and gift baskets to many families, and pick up people that needed to be isolated. At Easter we delivered 300 gift bags to children. We have been available for families who need help.

*Tsawout First Nations Easter Outreach.*

A recent highlight was delivering 7000 freezies to two different communities. These were donated by Superstore Westshore. Wow! You should have seen how happy these kids were when they peeked through the door. We took a box to each door put it down, knocked and walked away – then watched the recipients read the card and receive their gift. People were so thankful. It was so funny that I started with one helper, then two, then three, and more wanted to help. Ten helpers in all – gloved, practicing social distancing, just having a great time – kids, teens and a few mothers of course!

A message I received from a Mom:

*“My daughter was so excited when she went to the door after the truck left. She even stood in the door way and was just listening to how excited kids were to find a special treat. It brightened her day so much and I loved showing her how we can all help each other right now, even when everyone is feeling so isolated.” ♥*

*During Covid Extreme has been partnering with Salvation Army delivering hampers to people still in isolation.*

# Extreme Coffee House

## COFFEE WITH A CAUSE

**T**here are few things more satisfying in life than a warm cup of coffee. Richly roasted, swirling with your favourite flavours or purist of black.

Combine that satisfying cup of joe with helping less-fortunate kids from Victoria and you've got a match made in heaven!

Our **Extreme Outreach Coffee House** in View Royal serves as an homage to tranquility and an oasis away from the outside world.

We serve up some of the best locally roasted, organic coffee in Victoria, with proceeds funding our SuperKids programs for children in the community.

We use certified organic coffee beans from the famous Chiapas region of Southern Mexico. Local farmers have come together to produce an outstanding estate quality Arabica coffee. Using sustainable practices, the farmers have taken special care to organically cultivate coffee beans that truly are remarkable in taste, aroma and body. Beans are then shipped directly to our local Vancouver Island roaster who masterfully provides a rich cup of coffee with a cause.

Not only do we serve coffee, we also sell our beans in one pound or five pound bags. Recently, a local business purchased 300 bags of coffee for their company's gifts! Purchase the beans for your own home, or gift a bag to friends and help us spread the word.

Share the love of coffee and generosity and see what ripples you can create in our community. We will be sure to keep you posted on our newest projects! ♥

**Together we can make a difference!**

## Community Outreach

For most kids, enjoying a family BBQ, an outdoor adventure, or attending a fun workshop is part of normal childhood development and growing up in a healthy community. However, for children who are marginalized or at risk, these opportunities are not easy to come by – activities that we often take for granted can be costly for families who cannot pay for them. Sometimes, parents who are struggling with responsibility and life skills don't realize that these activities are an important part of growing up.

Our weekly BBQ ministry is held at low cost housing complexes that are home to many at-risk children and youth. Over the years Extreme Outreach has developed many life-long relationships, while inspiring children to cook and co-operate with each other. The BBQ is full of fun, energy and happiness as the children and their community gather to eat and play together. The BBQ starts with some of the regular attendee volunteers, eagerly waiting for Cliff to pull up in the bus and unload supplies. From there, they help with everything from putting smokies on the grill, to setting up buns and treats. The children are taught how to cook safely and with the best sanitary practices, giving them confidence that they can take home to their own families. While they take turns on the BBQ, they get to connect with Cliff and the other Outreach volunteers, while joking around with each other and having fun. When the food is ready, the children blow a horn letting the community know that the food is ready. In some cases, this will be the first and/or only meal of the day. It is also one of the only times that the whole community comes together like this. The weekly BBQ Outreach helps build the heart of Community. ♥

**Our BBQs would not be possible without our sponsors. We are deeply grateful for your continued support and encouragement with this valuable community outreach program!**

*"The impact this has had is far reaching for both the students and participants. The students are keen to find ways to help out in the community, and for many of them, they are especially passionate about working with children. The BBQ offers a way to connect with other people in the community, while also helping Extreme Outreach to do their good work."*

## St. Michaels University School

I am writing this letter as a strong and positive support for the Extreme Outreach Society. We have been working with Extreme Outreach for over a decade. This is one of the most long-standing relationships our school has with a service organization. It is one we value and nurture, and we want it to continue. The boundless energy of their staff and volunteers is inspiring.

The programs they offer provide the basics (like food) but also the fun! They create a safe and positive place for kids to gather and just be kids. The Christmas dinner is another place to gather and be festive. It has such a positive impact on the community and makes things exciting! We notice the uniqueness of the programming and the focus on children and families. The benefit is not only to the youth and families who attend the BBQ, dinner or camps, but to the students from our school who get to volunteer and spend time with the kids. They get the opportunity to learn from each other and expand their world views.
