Extrême Outreach Society is a local non-profit organization with a vision to break the cycle of poverty, addiction & homelessness before it begins. We provide unique programs and services for underprivileged kids and their families in a non-discriminatory environment. ♥

OUR PROGRAMS

VOLUNTEERS ALWAYS NEEDED

BBQ OUTREACH PROGRAM

This interactive outreach has proven successful since 1998. We connect with families in need almost every week by providing FREE hot meals, rain or shine! Kids learn how to BBQ and serve their community, which builds their confidence.

Sponsor a BBQ (\$300)

SUPERKIDS CAMP

We are committed to ensuring that kids in our community have the opportunity to enjoy a true summer camp experience regardless of the economic circumstances of their families. At camp, we cultivate positive life skills, teach kids about the environment, and develop future leaders in a way that appeals to kids.

Sponsor a child to go to camp (\$200)

EXTREME COFFEE HOUSE

Come by for a coffee, latte, lunch or snack – all available by donation. All net profit helps to fund the programs of Extreme Outreach Society! Complimentary WiFi is available, as well as a fun children's play zone. Rent the Coffee House with full barista services for events up to 40 people. Full information is available on our website.

YOUTH JOB SKILL TRAINING

Extreme Coffee House welcomes youth seeking job skills to our new **Youth Job Skills Training** program, which is free of charge for youth. We provide on-the-job training in mentorship, barista training, light cooking, Food-Safe, sanitation and serving the public. Youth will be given the chance to increase confidence and work through areas of personal difficulty in an uplifting environment while serving their community. Participants will gain the confidence and skills to enter the work force.

“Developing work skills in youth prepares them for their future.”

CHRISTMAS WARM A SOUL

Every year we fill over 1000 stockings with gifts, practical items, and treats. Our stockings are given to children in need, as well as those in local shelters, detox sites, and living on our streets. Although we focus on the children who are caught in the cycle of poverty, we also support those who end up at shelters, often feeling alone and alienated – those who would otherwise not receive a gift at Christmas.

EXTREME CHRISTMAS DINNER

The highlight of the year! So many families in need have told us that our Christmas dinners are now their tradition. Many of these families could not afford to have a traditional Christmas dinner on their own. We love the opportunity to meet the families, and bless them with dinner, gifts and friendship. This program creates a festive atmosphere where everyone feels connected to one another, enjoying a sense of community. Kids love this special time!

SUPERKIDS ADVENTURES

Activities in this program are designed to bring hope to children and youth, and to inspire them to become leaders in the community. SuperKids Adventures include surfing, boating, wilderness field trips, hockey games at Save-On arena, and other special events, and more – creating memories that last a lifetime.

Extreme Outreach Society has been providing free programs to support local underprivileged children and youth for 23 years. Our goal is to continue serving these children, and community support is critical in order to do so. Due to the ongoing COVID-19 pandemic, the BC government has announced that no overnight camps will be allowed to run this summer. In place of our 18th Annual SuperKids Summer Camp, we will be hosting SuperKids Summer Day Camps at different locations in Greater Victoria. We will be following all the provided health guidelines to ensure safe and fun filled days. We will be providing children and youth with meals, games, and lots of fun, giving them hope and encouragement

during this unprecedented time. All costs for these outreaches will be covered through our fundraising efforts.

Our goal is to raise \$50,000.

Extreme Coffee House

COFFEE WITH A CAUSE

There are few things more satisfying in life than a warm cup of coffee. Richly roasted, swirling with your favourite flavours or purist of black.

Combine that satisfying cup of joe with helping less-fortunate kids from Victoria and you've got a match made in heaven!

Our **Extreme Outreach Coffee House** in View Royal serves as an homage to tranquility and an oasis away from the outside world.

We serve up some of the best locally roasted, organic coffee in Victoria, with proceeds funding our SuperKids programs for children in the community.

We use certified organic coffee beans from the famous Chiapas region of Southern Mexico. Local farmers have come together to produce an outstanding estate quality Arabica coffee. Using sustainable practices, the farmers have taken special care to organically cultivate coffee beans that truly are remarkable in taste, aroma and body. Beans are then shipped directly to our local Vancouver Island roaster who masterfully provides a rich cup of coffee with a cause.

Not only do we serve coffee, we also sell our beans in one pound or five pound bags. Recently, a local business purchased 300 bags of coffee for their company's gifts! Purchase the beans for your own home, or gift a bag to friends and help us spread the word.

Share the love of coffee and generosity and see what ripples you can create in our community. We will be sure to keep you posted on our newest projects! ❤️

Together we can make a difference!

We provide on-the-job training in mentorship, barista training, light cooking, Food-Safe, sanitation and serving. We are proud to help nurture youth by providing them with the confidence that they lacked prior to volunteering at the Extreme Coffee House. They are given the chance to increase confidence and work through areas of personal difficulty in an uplifting environment while serving their community. ❤️

Working at the Coffee House has been a great learning experience for me, especially during COVID. I've been able to grow in my social skills by helping many different people while serving and talking to them as drinks are being made. It's encouraging to see how something so simple like a cup of coffee and a smile can make someone's day.

Joining the Extreme Team after volunteering for seven years has been an enriching experience. I have really enjoyed being able to help organize the little details that go into each program we run. It has made the time spent at the programs even more fun than before!

Being the admin for Extreme also has the benefit of working at the Coffee House. I love seeing all the customers and getting to know the regulars. It's really fun making their drinks and working alongside my coworkers when I'm taking a quick break from the computer. We love teaching the kids who live in the area the basics of working the Coffee House. They're all amazing kids who are so interested in learning how everything works and are always eager to help! It's so fun getting to know each one of them and seeing that the Coffee House is a safe place for them to come to after school. Seeing how the Coffee House is such a staple of the community and how we're able to lift someone's mood with simply a friendly face and a drink is such an uplifting feeling.

100 Women Who Care

Giving \$100 to your favourite local charity is great. Their goal is to bring together over 100 women who are passionate about contributing to local community causes. The group meets for one hour, hears from three different nominees, and selects a local charity to receive their donations for that night. Every woman writes a cheque and watches how the group's commitment can turn into a \$10,000+ donation!

Register to join their next meeting at www.100womenwestshore.com, or check out other chapters of 100 Women Who Care, including Victoria, Saanich Peninsula, Mid-Island, Campbell River, and many more! ❤️

St. Michaels University School

I am writing this letter as a strong and positive support for the Extreme Outreach Society. We have been working with Extreme Outreach for over a decade. This is one of the most long-standing relationships our school has with a service organization. It is one we value and nurture, and we want it to continue. The boundless energy of their staff and volunteers is inspiring.

The programs they offer provide the basics (like food) but also the fun! They create a safe and positive place for kids to gather and just be kids. The Christmas dinner is another place to gather and be festive. It has such a positive impact on the community and makes things exciting! We notice the uniqueness of the programming and the focus on children and families. The benefit is not only to the youth and families who attend the BBQ, dinner or camps, but to the students from our school who get to volunteer and spend time with the kids. They get the opportunity to learn from each other and expand their world views.

Community Outreach

Our BBQ ministry has proven to be a success since 1998. Over the years, Extreme Outreach has developed many life-long relationships, while inspiring children to cook and co-operate with each other. The BBQ is full of fun, energy, and happiness as the children and their community gather to eat and play together. While the children take turns helping on the BBQ, they get to connect with Cliff and the other volunteers, and they get to joke around and have fun with each other. The BBQ ministry helps build the heart of community. ♥

Our BBQs would not be possible without our sponsors. We are deeply grateful for your continued support and encouragement with this valuable community outreach program!

"The impact this has had is far reaching for both the students and participants. The students are keen to find ways to help out in the community, and for many of them, they are especially passionate about working with children. The BBQ offers a way to connect with other people in the community, while also helping Extreme Outreach to do their good work."

COVID Relief Outreaches

As the pandemic continues to present many challenges for the world, Extreme has continued to provide support where needed. We have been able to help deliver food hampers to many families throughout the year. At Easter, we partnered with a local church to help provide Easter baskets for children, to help bring a smile to their faces as uncertainty continues in their daily lives. We continue to be available for families who need help and provide support wherever we can. ♥

Warm A Soul UPDATE

Our annual Warm a Soul stocking campaign reached 1355 people this year. We provided stockings for kids, teens, and adults around Greater Victoria, as well as communities up island, on the mainland, and all the way to the Yukon again!

A family asked if we'd be taking stockings to any of the local hotel shelters. They were working with one of the hotels, so we provided them with stockings for each resident. This family worked very hard with us to build the stockings and get it all in order for delivery.

Another local society approached us for support to provide for their supportive housing residents. At first, we didn't have enough stockings to provide for all of their residents. But our volunteer families and supporters put in the work and we were able to fulfill their request!

It was amazing to witness the immense support this Christmas. Both of our Christmas outreaches were incredibly successful and blessed. We couldn't believe the amount of support that was coming in every day! A lovely couple dropped off a ton of toys one day and told us to let them know if there was anything else they could. We sent them a request for some stocking items that we running very low on and a few days later they came in with the items we needed! We are so grateful to all our supporters for making each year such a success. ❤️

Thanks to our other large Christmas donors – Truth Centre (pictured) and United Way.

Drive-Thru Christmas

UPDATE

Last year presented us with many new challenges. Finding a COVID safe replacement for our Annual Christmas Dinner was no small task and took a lot of thorough planning. But all the hard work was worth it to be able to provide for the families.

Our SuperKids Drive-Thru Christmas was a huge success! We had 48 families signed up for the Drive-Thru and an additional 27 families who received their gifts on different days. Smiling faces shone from each car and brightened the rainy day. Volunteers happily loaded every vehicle with stockings, gifts, and other goodies. Thank you Patio Gardens for once again supplying beautiful poinsettias for the families. We were able to chat with the families and see how they were doing. While we all missed the Annual Christmas Dinner, we were glad to find a way to bring a smile to their faces during these difficult times. One mom messaged to say “I’m extremely thankful for you all! You made Christmas great once again. I was only expecting to pick up a stocking, but ended up with gifts for my children. I am very blessed to be given the opportunity to access your amenities.”

It wasn’t our usual big dinner, but the SuperKids Drive-Thru Christmas was still special. Providing for these families throughout any obstacles the world may throw our way is a blessing. We look forward to each new day we get to support the families. ❤️
