# Mission Statement

**E**xtrême Outreach Society is a local non-profit organization with a vision to break the cycle of poverty, addiction & homelessness before it begins. We provide unique programs and services for underprivileged kids and their families in a non-discriminatory environment. ❤️

## OUR PROGRAMS

**VOLUNTEERS ALWAYS NEEDED**

### BBQ OUTREACH PROGRAM

This interactive outreach has proven successful since 1998. We connect with families in need almost every week by providing **FREE** hot meals, rain or shine! Kids learn how to BBQ and serve their community, which builds their confidence.

**Sponsor a BBQ (\$300)**

### SUPERKIDS CAMP

We are committed to ensuring that kids in our community have the opportunity to enjoy a true summer camp experience regardless of the economic circumstances of their families. At camp, we cultivate positive life skills, teach kids about the environment, and develop future leaders in a way that appeals to kids.

**Sponsor a child to go to camp (\$200)**

### EXTREME COFFEE HOUSE

Come by for a coffee, latte, lunch or snack – all available by donation. All net profit helps to fund the programs of Extreme Outreach Society! Complimentary WiFi is available, as well as a fun children's play zone. Rent the Coffee House with full barista services for events up to 40 people. Full information is available on our website.

### YOUTH JOB SKILL TRAINING

Extreme Coffee House welcomes youth seeking job skills to our new **Youth Job Skills Training** program, which is free of charge for youth. We provide on-the-job training in mentorship, barista training, light cooking, Food-Safe, sanitation and serving the public. Youth will be given the chance to increase confidence and work through areas of personal difficulty in an uplifting environment while serving their community. Participants will gain the confidence and skills to enter the work force.

*“Developing work skills in youth prepares them for their future.”*

### CHRISTMAS WARM A SOUL

Every year we fill over 1000 stockings with gifts, practical items, and treats for children in need, as well as First Nations communities, and those in local shelters, detox sites, and living on our streets – those who may not otherwise receive a gift at Christmas.

### EXTREME CHRISTMAS DINNER

The highlight of the year! So many families in need have told us that our Christmas dinners are now their tradition. Many of these families could not afford to have a traditional Christmas dinner on their own. We love the opportunity to meet the families, and bless them with dinner, gifts and friendship. This program creates a festive atmosphere where everyone feels connected to one another, enjoying a sense of community. Kids love this special time!

### SUPERKIDS ADVENTURES

Activities in this program are designed to bring hope to children and youth, and to inspire them to become leaders in the community. SuperKids Adventures include surfing, boating, wilderness field trips, hockey games at Save-On arena, and other special events, and more – creating memories that last a lifetime.

# Warming the souls of children this Christmas

**T**hink back to the magic of Christmas that we have all hopefully experienced on Christmas morning as a child – rising at the crack of dawn, tiptoeing down the stairs and bolting to the stocking filled with gifts from Santa. Now, imagine your childhood without such a luxury. Hundreds of children in our community are caught in the treacherous cycle of poverty and have never received such a gift.

Each year, EOS hosts a Christmas outreach to fill 1000 stockings. We focus primarily on children who have been subjected to poverty, as well as First Nations communities, and individuals who live in shelters, detox, and on the streets. Your generous donation will help bring the joy of Christmas to these people in their time of need.

*“I gave her the stocking and she asked ‘is that for me?’ and then tears started flowing down her face. This had been the first stocking she had ever received in her life.”*

Help us fill 1000 stockings with gifts, hygiene items, and treats for our children, by sending a financial donation. We will be filling the stockings ourselves this year. The **Warm A Soul** campaign runs from **November 15 to December 15**. The stockings are delivered during our new **SuperKids Drive-Thru Christmas**. To help us reach our goal of 1000 stockings, we need your help. Businesses, schools, groups or individuals can easily get involved in bringing joy to hundreds of children in need this Christmas. Each stocking costs approximately \$20. Any contribution you can give, big or small makes all the difference in a child's life this season. ♥

# Honouring Our Indigenous Communities & Connections

The recent news of the history of certain residential schools in Canada was absolutely heartbreaking. The National Day for Truth and Reconciliation allowed us all to pause and mourn the loss of these precious children, and consider how we may bring positive change to move forward.

It has been an honour for us to connect with many Indigenous communities over the years. We are grateful for the relationships we've made with children, youth, and their families who we've had the privilege of knowing and serving through our SuperKids Saturdays program, SuperKids Camp, BBQ outreach, Christmas Dinner, Warm A Soul program and other events.

Each year we rent the Songhees Wellness Centre on the Songhees First Nations land to host our Annual SuperKids Christmas Dinner. It has been a pleasure to work with Chief Ron Sam of Songhees and Chief Harvey Underwood of Tsawout, and welcome families from their communities to the dinner. We look forward to hosting the event there when they are open again for large events. This year we will be hosting a SuperKids Drive-Thru Christmas.

For many years, we have delivered Christmas stockings to Indigenous communities in Tsawout, Port Renfrew, Nitinaht, Tahsis, Ahousaht, Yukon and Nunavut. We receive great reports back from these communities of the joy that these stockings bring :)

We will continue to honour, serve, and encourage these communities.

To all our Indigenous friends, keep shining! ❤️

*"My family and community of Ahousaht are very grateful for SuperKids & Extreme Outreach. The effect they have on the children is touching, as I see the children's faces light up with joy and happiness. The last few years Cliff and Andrea have helped hundreds of children in our community with stockings filled with gifts and essentials, plus stuffed toys. It does wonders, especially for people that can't afford to celebrate Christmas. This is so wonderful as they include my daughter Jordyn Charlie to help with distributing in our community. It teaches her that it is better to give than receive. Thank you Cliff and Andrea Power for all you have done for the children. May the Creator shine down on you both as bright as ever. You are appreciated."* Chief Nate Charlie, Ahousaht

*"The history has come out, and now hopefully true healing will come so we can move forward together. I desire to see the sparkle in all First Peoples eyes again and a hope for the future. My prayer is that they would embrace hope and each other. Over the years I see you guys put life into children and I really appreciate that, because they always had it in them. You are doing such a great job with children. You two are like magnets to the children! Cliff knows how to talk with children and knows how to bring out the best in them. All the joy at the Christmas dinner is really quite something else! What you guys are doing is reconciliation and it helps."*

# Extreme Coffee House

## COFFEE WITH A CAUSE

**N**estled in a quiet corner of View Royal, our Extreme Coffee House has been open for 6 years. Since the beginning, we've been a peaceful and welcoming place for everyone. While we have had to change our setup due to COVID, we remain open for takeaway.

Our certified organic coffee beans arrive farmer direct from the famous Chiapas region of Southern Mexico. They are then shipped to Sooke to be masterfully roasted. Our baristas can then prepare a large variety of drinks, ranging from pure black drip coffee to multiple specialty drinks, like tasty mochas.

We also offer fresh sandwiches, soup and chili, as well as delicious baked goods. Our baker does such an amazing job you'll want to try one of everything! All food and drink purchases remain 100% by donation. Proceeds after expenses go to support our programs. Who knew a simple cup of coffee could make such an impact! ❤️

Youth training program successes!

## Youth Job Skills Training

**T**his summer, we welcomed two of our teen SuperKids into our Youth Job Skills Training program. A local high schooler also reached out to us and got to join us. We provided them with on-the-job training in our barista area, basic food prep, cleaning, and customer service skills. It was amazing to see their confidence grow! ❤️

**102 – 284 Helmcken Road**  
**Monday–Friday, 8:30 am–4:00 pm**

*"When volunteering at the Coffee House, it was very nice to not only serve kind customers but to also work with amazing people. The people I worked with were so patient and were able to quickly show me the ropes. I went from not knowing what espresso was, to being able to make lots of different drinks. From serving regulars to new customers (and everything in between), the friendly smiles and sweet conversations always made my day! What made it even better was knowing that I was able to help even a little with such an important cause. I had such a wonderful time volunteering for Extreme Outreach!"*

## St. Michaels University School

I am writing this letter as a strong and positive support for the Extreme Outreach Society. We have been working with Extreme Outreach for over a decade. This is one of the most long-standing relationships our school has with a service organization. It is one we value and nurture, and we want it to continue. The boundless energy of their staff and volunteers is inspiring.

The programs they offer provide the basics (like food) but also the fun! They create a safe and positive place for kids to gather and just be kids. The Christmas dinner is another place to gather and be festive. It has such a positive impact on the community and makes things exciting! We notice the uniqueness of the programming and the focus on children and families. The benefit is not only to the youth and families who attend the BBQ, dinner or camps, but to the students from our school who get to volunteer and spend time with the kids. They get the opportunity to learn from each other and expand their world views.

## Community Outreach

Our BBQ ministry has proven to be a success since 1998. Over the years, Extreme Outreach has developed many life-long relationships, while inspiring children to cook and co-operate with each other. The BBQ is full of fun, energy, and happiness as the children and their community gather to eat and play together. While the children take turns helping on the BBQ, they get to connect with Cliff and the other volunteers, and they get to joke around and have fun with each other. The BBQ ministry helps build the heart of community. ♥

Our BBQs would not be possible without our sponsors. We are deeply grateful for your continued support and encouragement with this valuable community outreach program!

*"The impact this has had is far reaching for both the students and participants. The students are keen to find ways to help out in the community, and for many of them, they are especially passionate about working with children. The BBQ offers a way to connect with other people in the community, while also helping Extreme Outreach to do their good work."*

## COVID Relief Outreaches

As the pandemic continues to present many challenges for the world, Extreme has continued to provide support where needed. We have been able to help deliver food hampers to many families throughout the year. At Easter, we partnered with a local church to help provide Easter baskets for children, to help bring a smile to their faces as uncertainty continues in their daily lives. We continue to be available for families who need help and provide support wherever we can. ♥

## Tsawout BBQ

**T**his summer, we were invited to run a BBQ for the Tsawout First Nation's summer kids' program. A lot of the kids attend our programs, so it was great to serve them at their home.

When we arrived, we opened the shuttle bus door and suddenly hear "CLIFF!!" We could not have asked for a better greeting! A bunch of the kids came over to help set up and run the BBQ cart. It's always so much fun to teach them how to work the cart and serve their community. There was one girl who made sure we knew her name, as she introduced herself to us many times. Meeting new kids and seeing their personalities emerge as we get to know them is such a blessing. The joy and excitement bursting from these kids helping us is always so immense, we just can't help but smile.

After lunch, we held a surprise draw for a brand new bike for the kids! Before the draw, Cliff had to show off a card trick he knew. The trick worked flawlessly. It was lots of fun to see everyone's reaction. We then drew a name for the bike and the winner was so happy to receive the bike! He had such a big smile on his face. Nothing can compare to the opportunities we have to bring a smile to someone's face. ❤️

# SuperKids Summer Day Camps

As COVID continued to present constant changes and uncertainty, we had to rethink what we'd be doing with the kids this year. With Camp Barnard being closed to non-scouting groups, we went back to basics to explore the great outdoors!

In July, we took our SuperKids out to explore local parks, play games, have a meal, and enjoy time together. We had some of our teen SuperKids volunteering with us. It was so amazing to help them learn how to lead and be in charge. These teens all grew up coming to camp and our other programs, so it was extra special having them as volunteers. ♥

*"Seeing some of my old cabin girls again this summer was so awesome! They've grown up so much since I last saw them. It was so great to reconnect with them and the other kids. My heart melted when one of the girls told me I was one of the best cabin leaders she'd had at camp before. Watching all the kids happily engaging with the first-time attendees and making them all feel welcome is such a heartwarming thing to see. It was such a blessing to give the kids a space to be themselves."* Tabitha
