## Mission Statement

**E**xtrême Outreach Society is a local non-profit organization with a vision to break the cycle of poverty, addiction, and homelessness before it begins. We provide unique programs and services for underprivileged kids and their families in a non-discriminatory environment. ♥

## OUR PROGRAMS

**VOLUNTEERS ALWAYS NEEDED**

### BBQ OUTREACH PROGRAM

This interactive outreach has proven successful since 1998. We connect with families in need almost every week by providing FREE hot meals, rain or shine! Kids learn how to BBQ and serve their community, which builds their confidence.

**Sponsor a BBQ (\$300)**

### SUPERKIDS CAMP

We are committed to ensuring that kids in our community have the opportunity to enjoy a true summer camp experience regardless of the economic circumstances of their families. At camp, we cultivate positive life skills, teach kids about the environment, and develop future leaders in a way that appeals to kids.

**Sponsor a child to go to camp (\$200)**

### EXTREME COFFEE HOUSE

Come by for a coffee, latte, lunch or snack – all available by donation. All net profit helps to fund the programs of Extreme Outreach Society! Complimentary WiFi is available, as well as a fun children's play zone. Rent the Coffee House with full barista services for events up to 40 people. Full information is available on our website.

### YOUTH JOB SKILLS TRAINING

Extreme Coffee House welcomes youth ages 15 to 25 to join our **Youth Job Skills Training Program**, which is free of charge. We provide on-the-job training in barista skills, light food prep, FOODSAFE procedures, sanitation, and customer service skills. We are happy to help nurture youth by providing them with encouragement, mentorship, and skills that will build their confidence for the future. Youth are given the chance to gain valuable work skills in an uplifting environment while serving their community.

*"Developing work skills in youth prepares them for their future."*

Cliff Power

### CHRISTMAS WARM A SOUL

Every year we fill over 1000 stockings with gifts, practical items, and treats for children in need, as well as First Nations communities, and those in local shelters, detox sites, and living on our streets – those who may not otherwise receive a gift at Christmas.

### EXTREME CHRISTMAS DINNER

The highlight of the year! So many families in need have told us that our Christmas dinners are now their tradition. Many of these families could not afford to have a traditional Christmas dinner on their own. We love the opportunity to meet the families, and bless them with dinner, gifts and friendship. This program creates a festive atmosphere where everyone feels connected to one another, enjoying a sense of community. Kids love this special time!

### EXTREME ADVENTURES

Activities in this program are designed to bring hope to children and youth, and to inspire them to become leaders in the community. Extreme Adventures include surfing, boating, wilderness field trips, hockey games and other events at Save-On arena, and more – creating memories that last a lifetime.

**Extreme Outreach Society** has been providing free programs to support local underprivileged children and youth for 25 years. Our goal is to continue serving these children, and community support is critical in order to do so. For our 19th Annual SuperKids Summer Camp, we will be hosting SuperKids Summer Day Camps at different locations in Greater Victoria, while following all the provided health guidelines to ensure safe and fun filled days. In July, we will be providing children and youth with games, meals, camp t-shirts and fun filled activities in the great outdoors, giving them hope and encouragement during this unprecedented time. All costs for these outreaches will be covered through our fundraising efforts. ♥

## Extreme Adventures

### Save-On-Foods Memorial Centre Events

**W**e love to provide our SuperKids and youth with the opportunity to take part in different adventures and events. Thank you to the generous sponsor who provided suite tickets for hockey games and a concert at the Save-On-Foods Memorial Centre this past season. The SuperKids and youth loved the events! For some, it was the first time they got to attend a sports event and it was a fantastic experience for them. It was so much fun to cheer on the Royals with everyone!

The concert was an absolute highlight for the youth. The messages spoken between the songs throughout the night were filled with positive life-giving messages... "You should never look at someone else and want to be what they are. You should always be what you are! You may see other kids and think they are cool, but what is cool is you being yourself, every single day! Love yourself! Celebrate life!" The youth recorded the messages on their phones and now have them to listen to when they need encouragement. ❤️

## COFFEE WITH A CAUSE

**N**estled in a quiet corner of View Royal, our Extreme Coffee House has been open for 7 years. Since the beginning, we've been a peaceful and welcoming place for everyone. While we have had to change our setup due to COVID, we remain open for takeaway.

Our certified organic coffee beans arrive farmer direct from the famous Chiapas region of Southern Mexico and are then masterfully roasted locally. Our baristas prepare a large variety of drinks, ranging from black drip coffee to multiple specialty drinks, like tasty mochas.

We serve fresh sandwiches and delicious baked goods daily, as well as soup and chili in the fall and winter months. Our baker does such an amazing job you'll want to try one of everything! All food and drink purchases remain 100% by donation. Proceeds after expenses go to support our programs. Who knew a simple cup of coffee could make such an impact! ❤️

St. Michael's University School

I am writing this letter as a strong and positive support for the Extreme Outreach Society. We have been working with Extreme Outreach for over a decade. This is one of the most long-standing relationships our school has with a service organization. It is one we value and nurture, and we want it to continue. The boundless energy of their staff and volunteers is inspiring.

The programs they offer provide the basics (like food) but also the fun! They create a safe and positive place for kids to gather and just be kids. The Christmas dinner is another place to gather and be festive. It has such a positive impact on the community and makes things exciting! We notice the uniqueness of the programming and the focus on children and families. The benefit is not only to the youth and families who attend the BBQ, dinner or camps, but to the students from our school who get to volunteer and spend time with the kids. They get the opportunity to learn from each other and expand their world views.

Our BBQ ministry has proven to be a success since 1998. Over the years, Extreme Outreach has developed many life-long relationships, while inspiring children to cook and co-operate with each other. The BBQ is full of fun, energy, and happiness as the children and their community gather to eat and play together. While the children take turns helping on the BBQ, they get to connect with Cliff and the other volunteers, and they get to joke around and have fun with each other. The BBQ ministry helps build the heart of community. ♥

*"The impact this has had is far reaching for both the students and participants. The students are keen to find ways to help out in the community, and for many of them, they are especially passionate about working with children. The BBQ offers a way to connect with other people in the community, while also helping Extreme Outreach to do their good work."*

## Spring Outreaches

### Tsawout First Nation

This spring we were invited back to Tsawout First Nation to do another BBQ for their children. It was a perfect day to have a BBQ and the kids really enjoyed all the extra goodies we brought. We surprised every child with a brand new backpack which created many beautiful smiles. We are looking forward to our next opportunity to see and serve the kids again.

### Easter Outreach

We had a lot of fun preparing and delivering large Easter baskets to our SuperKids families this Easter. We stuffed the baskets full with goodies, fun toys, and a small book. There was a crowd waiting at Evergreen Terrace when we arrived. As the baskets were handed out to each family, there were many smiles and thank you's from both the parents and the kids. This simple outreach brought a lot of joy. ♥

## A Decade at Extreme

**F**rom a young age, I've loved working with kids and have been interested in mission work. In 2012, when I was 14, I went on my first missions trip, a weeklong service trip to a little town in Alberta. Being surrounded by people my age with amazing serving hearts sparked my interest to continue pursuing mission work. I'd planned to do the service trip again, but it was expensive, even with all the fundraising our group did. Just before the summer of 2013, someone from my church shared that Extreme Outreach was still looking for volunteers for their summer camp. This sounded like fun and allowed me to do local outreach work. So, my older sister and I signed up to volunteer for the SuperKids Summer Camp. My younger siblings and other kids I knew from other low-income housing places would also be attending as campers.

We arrived on Saturday to help set up. I didn't know what to expect, but I was very excited to volunteer. I was placed in the kitchen for the week. Even though the kitchen takes a lot of hard work, I left camp absolutely in love with the kids and the work being done with them. I volunteered for the other programs Extreme ran throughout the year. Each new outreach showed me that it was the kind of thing I wanted to do with my life.

Christmas Dinner 2019

*"I'm happy to say it has been a pleasure watching Tabitha become a very important part of EOS. I'm really proud of Tabitha and thankful for her commitment."*

Cliff

Volunteering with Extreme gave me the confidence to pursue a gap year program after graduating. I was blessed with the opportunity to do 2 years of The Year Out with Youth for Christ UK. The first year I focused on local youth outreach where I lived. Where I lived has been described as one of the most deprived places in the Greater Manchester area. The youth we worked with had very similar situations to the SuperKids families in Victoria. Although I did have to miss the Annual Christmas Dinners while I was in the UK, I made it work to come home for SuperKids Summer Camp both years.

When talking to Cliff about the work I was doing in the UK, he got very excited about all I was learning. He offered me the Admin position at Extreme when I got home in mid-2019. I got home the day before the start of camp in 2019 and went up to camp the next day around the same time the kids got there and cabin lead (while mildly jet-lagged) for the week. A few days after camp, I started working at Extreme and have been going strong ever since, even through the pandemic. After seeing a generation of kids grow up at the outreaches, I was very excited to have the chance to work with Extreme. Being a part of the hardwork that makes these outreaches happen adds another level of joy to seeing the kids smiling faces. ❤️

## SuperKids Drive-Thru Christmas UPDATE

Our **SuperKids Drive-Thru Christmas** was a great success! Due to continued COVID restrictions, this was our second year doing the Drive-Thru in place of our annual Christmas Dinner Outreach.

We had over 60 families sign up to receive gifts, stockings, and items. We also gave 15 bikes to kids and teens through our bike draw! Thanks to the generosity of Superstore, we were able to provide each family with some new household kitchen items alongside their gifts. Putting together the gift bags full of goodies for the families was a great experience. Selecting gifts, then giving them to the kids and families and seeing their faces light up brings a smile to our faces. Spreading Christmas joy with each family is a wonderful privilege.

One mom wrote us saying "I was just in to grab stuff for my daughters, I just wanted to say thank you very much from the bottom of my heart! It really means a lot to me!" This same mom was later told that both of her daughters were bike winners and her response warms our hearts: "Are you serious!!!! I'm soooooo excited!!!! Thank you soooo very much!" We love to see how easy it is to lift someone up and make their day better with some good news. We look forward to supporting low income families again this year. ❤️

## Warm A Soul UPDATE

**T**hrough our annual **Warm A Soul** campaign, we were thrilled to give away 1282 stockings this year! We provided stockings for kids, teens, and adults around Greater Victoria, as well as communities up island, on the mainland, and once again to the Yukon.

We were happy to welcome a few groups to help us fill stockings at the Coffee House. We had a group of Grade 7 students from Pacific Christian School who put together 100 stockings in one hour! We had another small group of students from SMUS who also managed to put together 100 stockings. A hardworking youth group completed 300 stockings in one night. One business, Benson Cabinetry Millwork, put together over 100 amazing stockings and gift bags for kids and youth! They brought them in at the perfect time. We were putting together the gift bags for the **SuperKids Drive-Thru Christmas** families and were starting to run low for some of the ages. The stockings they brought in were the exact ages we needed to finish! The community support that pours in every year to complete these stockings is such an immense blessing for us and everyone who receives them. Thank you to everyone who supported us through donating and volunteering. ❤️
