EXTREME Outreach Society Mission Statement

Bringing Hope – Inspiring Dreams

Extrême Outreach Society is a local non-profit organization with a vision to break the cycle of poverty, addiction, and homelessness. We provide unique free programs and services for disadvantaged children, youth, and their families. Through love and acceptance, we aim to transform communities one life at a time. ❤️

OUR PROGRAMS

VOLUNTEERS ALWAYS NEEDED

BBQ OUTREACH PROGRAM

This interactive outreach has proven successful since 1997. We connect with children and families in need at low-income housing complexes by providing FREE hot meals, games and fun, rain or shine! Kids learn how to BBQ and serve their community, which builds their confidence. **Sponsor a BBQ (\$400)**

SUPERKIDS CAMP

We are committed to ensuring that kids in our community have the opportunity to enjoy a true summer camp experience regardless of the economic circumstances of their families. At camp, we cultivate positive life skills, teach kids how to work together and have fun, and develop future leaders in a way that appeals to kids. **Sponsor a child to go to camp (\$200)**

EXTREME COFFEE HOUSE

Come by for a coffee, latte, lunch or baked good – all available by donation. Proceeds help fund our programs! Complimentary WiFi is available, as well as a fun children's play zone.

Rent the Coffee House with full barista services for events up to 40 people. Information available on our website.

YOUTH JOB SKILLS TRAINING

Extreme Coffee House welcomes youth ages 15 to 25 to join our **Youth Job Skills Training Program**, which is free of charge. We provide on-the-job training in barista skills, light food prep, FOODSAFE procedures, sanitation, and customer service skills. We help nurture youth by providing them with encouragement, mentorship, and skills that will build their confidence for the future. Youth are given the chance to gain valuable work skills in an uplifting environment while serving their community.

"Developing work skills in youth prepares them for their future."

CHRISTMAS WARM-A-SOUL

Every year we provide Christmas stockings filled with gifts, practical items and treats for disadvantaged children and youth, Indigenous communities, individuals living in local shelters, supportive housing, and on the streets – those who may not otherwise receive a gift at Christmas. **Help us provide 3000 stockings.** **Sponsor Christmas stockings**

EXTREME CHRISTMAS DINNER

The highlight of the year! So many families in need have told us that our Christmas dinners are now their tradition. Many of these families could not afford to have a traditional Christmas dinner on their own. We love the opportunity to meet the families, and bless them with dinner, gifts and friendship. This program creates a festive atmosphere where everyone feels connected to one another, enjoying a sense of community. Kids love this special time! **Sponsor Christmas gifts**

EXTREME ADVENTURES

Activities in this program are designed to bring hope to children and youth, and to inspire them to become leaders in the community. Extreme Adventures include surfing, boating, wilderness field trips, hockey games and other events at Save-On arena, and more – creating memories that last a lifetime. **Sponsor an Adventure or Event**

This is a **FREE** event for SuperKids families, however you **MUST** have a ticket to receive your items. For tickets, visit **www.extremeoutreach.com**.

Christmas is a special time of year for everyone but it also brings a lot of challenges for many families. We are also hoping to once again give away 15 brand-new bikes. ♥

Warm-A-Soul this Christmas

Each year, it is our joy to give filled Christmas stockings to disadvantaged children, youth, Indigenous communities, and individuals living in local shelters, supportive housing, and on our streets – those who may not otherwise receive a gift at Christmas. According to the BC Child Poverty Report, one in six children in BC lives in poverty. Thousands of children in our community are caught in the treacherous cycle of poverty, and **we desire to make a difference!** This year, our goal is to provide 3000 stockings!

“I gave her the stocking and she asked ‘is that for me?’ and then tears started flowing down her face. This had been the first stocking she had ever received in her life.”

Help us fill **3000** stockings with gifts, hygiene items, and treats. Our Warm-A-Soul campaign runs from **November 15 to December 15**. Stockings for children are given during our **SuperKids Drive-Thru Christmas** and personally delivered to communities on Vancouver Island and the lower mainland. Stockings for the homeless and poverty-stricken adults are given in December. Everyone can get involved and bring joy to those in need this Christmas! Businesses, schools, groups, and individuals can get involved by donating funds for us to purchase and fill stockings, donating items or filled stockings, and helping us fill stockings. You can find stocking stuffer guidelines and posters at **www.extremeoutreach.com**. Help warm the souls of those in need this Christmas! ♥

Community Outreach

BBQ Outreach Program

Our BBQ ministry has proven to be a success since 1997. Over the years, Extreme Outreach has developed many lifelong relationships while inspiring children to cook and cooperate with each other in low-income communities. The BBQs bring food, fun, games, and happiness to the children and the community, as they gather to eat and play together. While the children take turns helping on the BBQ, they get to connect with Cliff and the other volunteers, and learn FOODSAFE procedures. The BBQ ministry helps build the heart of community.

This spring, in addition to our regular BBQ outreaches, we were happy to once again provide a BBQ for Quadra Village Day. We served over 1300 hot dogs, and it was wonderful to have students from St. Michaels University School with us helping out again. This was our third year serving at the event, and we always enjoy it!

This summer, we were invited again to the Tsawout First Nation to do a BBQ for their children and staff. It is always great to see the kids, some of whom have been part of our SuperKids Programs throughout the years. After the BBQ, Cliff performed fun tricks for the kids, and two children won a bike in our bike giveaway. The kids had a blast! ♥

Single Mothers Outreach

We were delighted to once again put together and give away gift bags and roses to single moms in second-stage housing and to the SuperKids moms on Mother's Day.

"The Mother's Day gifts were beautiful. I loved the earrings and tumbler, it's my favourite colour. I can see how much thought and effort you put into creating our Mother's Day gift bags. It means so much to me, and it doesn't go unnoticed. Thank you again from the bottom of my heart." ♥ Kaylah

Extreme Coffee House

COFFEE WITH A CAUSE

Nestled in a quiet corner of View Royal, our Extreme Coffee House has been open for 10 years. This welcoming space comes complete with a beloved Kids Corner full of books, games, and toys for kids of all ages.

Our coffee beans are from Galloping Goose Coffee, which buys the coffee from smallholder farmers through their long-term trusted trade relationships, paying the best price for their coffee. Here at home, they are meticulous about roasting. This ensures sustainability for farmers and traders as well as a great cup of coffee for you. Certifications at origins include Fairtrade, organic and Rainforest Alliance. Our baristas prepare a large variety of drinks, ranging from black drip coffee to multiple specialty drinks, like tasty mochas.

We serve fresh sandwiches and delicious baked goods daily, as well as soup and chili during non-summer months. Our baker does such an amazing job you'll want to try one of everything! All food and drink purchases remain 100% by donation. Proceeds after expenses go to support our programs. Who knew a simple cup of coffee could make such an impact! ❤️

Volunteer With Us

Join our team and have fun serving the community! Training is provided.

"I applied to volunteer at Extreme Coffee House and it was such an amazing experience. When I first started, I was shy and didn't talk much to strangers but after this it helped me with my people skills. I got to meet all sorts of people, and I learned so many things like how to make tons of coffee drinks, it was so fun. Tabitha was such a great teacher. This was such a blessing to be a part of your team." ❤️
Hosanna

"Working at Extreme Coffee House during my student exchange was an unforgettable experience. I learned new recipes and refined my customer service skills in an environment that valued learning. I couldn't be more grateful to Cliff and Tabitha for their warm welcome and support."

Youth Job Skills Training

Each year, we have a number of youth successfully complete our Youth Job Skills Training Program. We provide on-the-job training in barista skills, light food prep, FOODSAFE procedures, sanitation, and customer service skills. We give youth encouragement, mentorship, and skills that will build their confidence for the future while serving their community.

Summer Students

This summer, we welcomed 2 students from Québec into our Youth Job Skills Training Program for six weeks as part of a work exchange program through the YMCA. This was our third time being a part of the program, and each year has been a great experience. It was fun teaching them and watching them grow in their skills and confidence as they learned the barista drinks, FOODSAFE procedures, and other important tasks. Working a job in your second language is a great challenge to embrace, and both students did a wonderful job while serving the customers! We wish them all the best with their future endeavours and hope to see them again in Victoria!

We welcome youth ages 15 to 25 to join our **Youth Job Skills Training Program** by submitting an application on our website. ❤️

Matthew's Story

"My experience with Cliff and Extreme Outreach Coffee House started when my son, Matthew, was 11 or 12. Hard to believe he is 20 now. We had a lot of change going on in our lives at the time. I was going through a divorce, and Matthew had been experiencing bullying at school. I had been praying for help, strength and structure for us in these uncharted waters we were navigating.

I walked into the Coffee House one day and saw some young students working there. I ended up staying and having coffee with Cliff. We chatted about Matthew attending school and also how he helped me work as an Outreach worker when it was appropriate. I ended up asking Cliff if it was possible for Matthew to volunteer there. Matthew started shortly after volunteering in the Coffee House. He ended up volunteering for many years, on every school holiday, Pro D, Spring break, Summer and Christmas Holidays. He also helped out on special events that were going on throughout the year. He loved going along with Cliff on the Outreach BBQs, attending the week-long summer camps as a junior camp counsellor and working in the Coffee House. He met some pretty amazing people he would tell me about during his time there.

RCMP Award

Cliff was an excellent role model, teacher and positive support in my son Matthew's life. The skills he would learn would propel him into great success in his life. The job related skills, life lessons and lessons in compassion and giving back would come to shape his foundation to who he is today. At 14 years old he was honoured by the RCMP and given an award along with Cliff for 1000 hours of outreach. That was amazing. At 15 years old Matthew played high level hockey with the SI Royals in the Elite Hockey league for 2 years, and started a landscaping company called Quigley Landscaping. He has been growing it for 5 years now and is known for being a hard worker and gives back to his community. He graduated from high school and has completed a 10-month Horticulture program at Royal Roads University.

Matthew has a great foundation of caring, generosity, hard work, being fair, kind and compassionate. I truly believe Cliff had a major role to play in teaching Matthew such great lessons and skills. Matthew's motto in life is "My wealth is my generosity". He is always giving back and finding ways to help people who need a little help.

Thank you Cliff, Andrea, the volunteers, supporters and customers of Extreme Coffee House for helping Matthew to shine to his true potential. Wishing you all the best in the future." ♥ Michelle, Matthew's Mom

Testimonials

"A BIG Thank You to Cliff & Andrea for always putting these amazing children before yourselves, you never cease to amaze me and what you bring to our community, with the SuperKids Christmas dinners and other programs you provide. You have filled my heart with so much joy and so much love. If it wasn't for you both, these children would not have an opportunity of a lifetime of going to summer camp. This is something I will forever cherish and I thank you for giving each family the chance to be able to send our children to such an amazing summer camp." ♥ Janelle, SuperKids Mom ▶

"Thank you Extreme Outreach Society for your contributions of stockings to all of the children in town. Look these guys up! A seriously incredible organization changing lives, and one I hope finds a way to continue forever. I got to witness personally an emotional response to their specific donations that would break down the hardest soul in town." ♥ Alisa, Tahsis Community Coordinator

"There were so many stockings that each child and mom got one – what fun! It brought tears to our eyes to be able to share them with others. We had enough that we were able to keep some to give to women who come in the new year and will be fleeing with nothing." ♥ The Cridge Transition House

▶ "I just wanted to take a moment to share how deeply moving today's gesture was for everyone. The excitement and joy on each face when the flowers and stockings were received were truly heartwarming. So many individuals I spoke with asked me to pass along a thank you and to express their gratitude. One woman, in particular, touched my heart – she recently lost her beloved cat of 18 years. With tears in her eyes, she said, "You have no idea how much I needed this today." Her words, along with the gratitude from everyone else, reminded me of the power of small acts of kindness and how they can bring light into someone's day. Thank you again for making such a meaningful impact on so many lives today." ♥

Extreme Adventures

Fishing

We were delighted to have 10 of our **SuperKids** attend the **Take A Kid Fishing** event at the Pink Salmon Festival again this summer. Cliff personally accompanied a few SuperKids on one of the boats, and everyone had an over-the-top experience! All the kids got to catch a fish, reel it in, and take it home after the festival. They also received a fishing rod, T-shirt, hat, and goodie bag. ♥

"I just want to thank everyone involved with making this amazing event possible it truly was a dream come true, not only did my daughter get to attend so did myself and my son, we had an amazing day on the water and the skipper was very knowledgeable. We all had great time, the bbq and band after that was delightful. Thank you again."

Carla, SuperKid Mom

"My son and I had the most wonderful day getting lost in the fog like Pirates of the Caribbean. Our most capable captain and co-captain kept our spirits hearty with cookies and a fresh-caught salmon. It was a great lesson in patience and nature immersion. We're very grateful for this program. Many thanks to you all."

Mary Beth, SuperKid Mom

Thank you to the Pink Salmon Festival organizers for providing this incredible adventure for our SuperKids!

Cirque du Soleil

This spring, we had the privilege of taking some of our **SuperKids** families to see **Crystal**. Everyone was mesmerized by the show and loved it! ♥

"All around, just an amazing experience. Thank you again so much. It isn't often we get out as a whole family these days, as the older kids are teens and one is almost an adult, so I will never forget this amazing gift. You brought us back together after a hard time in our lives. This truly warmed my heart. More than I think anyone could ever know."

SuperKid Mom

"My daughter had the best night of her life! She couldn't stop talking about it. She was truly captivated. It was an incredible experience. One we will remember forever. The show was spectacular from start to finish. We were so grateful for the opportunity to attend. It was our first ever Cirque du Soleil show and without Extreme Outreach it never would have happened. Thank you Extreme & Cirque from all of us."

Single mom

Thank you, Cirque du Soleil, for providing this fantastic show for our SuperKids families.

Country Bee Farm Experience

In August, we went to the **Country Bee Farm** with some of our **SuperKids** families. It was a great adventure, and the kids loved feeding the animals and holding the baby chicks. ♥

ADVICE YOUR WAY™

SuperKids Summer Camp

We had an incredible week with the **SuperKids** at our **22nd Annual SuperKids Summer Camp!** We enjoyed creating unforgettable experiences and lots of smiles by providing exciting adventures in local parks, engaging games, fun songs, encouraging words, and delicious meals. Many of the kids were new this year, and it was heartwarming to see new friendships developing throughout camp. Some of the kids enjoyed learning how to BBQ with Cliff and helped serve lunch. Spending quality time with the kids, watching them play games, singing along to the action songs, and being encouraged is always the highlight of our summer! The theme of our camp this year was Hope, and it was amazing to see the children filling up with Hope each day.

We are truly grateful for all the support that makes these outreaches possible. From donors to volunteers, it takes a community to provide for these kids. We look forward to next summer. ❤️
